

RÉSUMÉ DIGEST

ACT 14 (HB 75)

2024 Regular Session

Beaulieu

Existing law provides certain academic qualifications for individual title insurance producers. Requires such producers to have a high school diploma, a diploma for completion of an approved home study program, or a high school equivalency diploma.

New law retains existing law and adds a certificate, diploma, or degree from an accredited institution of postsecondary education as an academic qualifier for individual title insurance producers.

Effective August 1, 2024.
