

RÉSUMÉ DIGEST

ACT 381 (HB 511)

2024 Regular Session

Illg

New law requires insurers to verify proper completion of uninsured motorist forms for rejection of coverage provided for in existing law (R.S. 22:1295(1)(a)(ii)).

New law authorizes insurers to require producers of record to obtain and deliver the forms to insurers; however, new law requires insurers to retain a copy of the form and prohibits insurers from delegating retention responsibilities to producers of record.

New law applies to new policies written on or after April 1, 2025.

Effective August 1, 2024.
