

RÉSUMÉ DIGEST

HR 207

2024 Regular Session

Echols

Directs the La. Dept. of Health (LDH) to study the number of licensing boards of health professions and make recommendations on methods to reduce the number of licensing boards of health professions in this state.

Requires LDH to submit a written report of its findings and recommendations to the House Committee on Health and Welfare on or before Feb. 1, 2025.
