

RÉSUMÉ DIGEST

ACT 193 (HB 112)

2024 Regular Session

Wyble

Existing law provides for the contractual employment of local superintendents by public school boards.

New law requires a superintendent's contract to provide that he is subject to a performance evaluation and that at least 15% of the evaluation is based on evidence of growth in student achievement by the end of the third grade in literacy and at least 15% of the evaluation is based on evidence of growth in student achievement by the end of the third grade in mathematics.

Effective August 1, 2024.
