BY REPRESENTATIVE BILLINGS

Prefiled pursuant to Article III, Section 2(A)(4)(b)(i) of the Constitution of Louisiana.

LICENSING: Amends and repeals administrative licensing requirements relative to alternative hair and alternative hair design

1 A CONCURRENT RESOLUTION

2 To amend and reenact the Louisiana State Board of Cosmetology rules (LAC 46:XXXI.101  
3 and 1101(A)) and to repeal rules (LAC 46:XXXI.1105 and 1107), which provide  
4 definitions, a special permit, and a curriculum relative to alternative hair and  
5 alternative hair design, and to direct the office of the state register to print the  
6 amendments and notice of repeal in the Louisiana Administrative Code.

7 WHEREAS, LAC 46:XXXI.101 defines "alternative hair" and "alternative hair  
8 design"; and

9 WHEREAS, "alternative hair" means "any hair which is not a person's own hair  
10 including synthetic hair, wiggery, braids, postich or any applied hair"; and

11 WHEREAS, "alternative hair design" is "the practice of styling hair by twisting,  
12 wrapping, weaving, extending, locking or braiding the hair by either the use of hands or  
13 mechanical devices or appliances. The practice of alternative hair design shall include the  
14 application of antiseptics, powders, oils, clays, lotions or tonics to the alternative hair but  
15 shall not include the application of dyes, reactive chemicals or other preparations to alter the  
16 structure or style of the natural hair"; and

17 WHEREAS, LAC 46:XXXI.1101 requires the Louisiana State Board of Cosmetology  
18 (hereinafter "board") to issue a Special Permit for Alternative Hair Design to any person who  
19 meets the requirements set forth in the board rules, and according to LAC  
20 46:XXXI.1105(A), "Individuals with special permits for alternative hair design shall be

1 authorized to provide alternative hair design services only in facilities licensed by the board  
2 as cosmetology salons"; and

3 WHEREAS, LAC 46:XXXI.1107 establishes the Alternative Hair Design  
4 Curriculum which contains five hundred hours of required instruction including but not  
5 limited to the following:

- 6 "1. History Overview
  - 7 a. Ancient Origins of Braiding
  - 8 b. Traditional Multi-Cultural Braid Styles
  - 9 c. The Multi-Cultural American Hair Experience
- 10 2. Bacteriology and Sanitation
  - 11 a. Types of Bacteria
  - 12 b. Growth and Reproduction of Bacteria

- 18 6. Shampoos, Conditioners, Herbal Treatments and Rinses for Synthetic Hair  
19 Only
- 20 7. Braiding and Sculpting
- 21 8. Louisiana Cosmetology Act and Rules and Regulations"; and

22 WHEREAS, the definition of "alternative hair design" and the related Special Permit  
23 for Alternative Hair Design were promulgated by the board in 2003; and

24 WHEREAS, techniques used to create alternative hair designs may be deemed by  
25 some as African hair braiding or styling, but practitioners and customers are not limited to  
26 any particular cultural, ethnic, racial, or religious group; and

27 WHEREAS, the practice of alternative hair design is safe, time-tested, and presents  
28 no significant health or safety risks, because practitioners engaged in alternative hair design

1 are not permitted to use "dyes, reactive chemicals, or other preparations to alter the structure  
2 or style of the natural hair"; and

3 WHEREAS, a 2016 study conducted by the Institute for Justice shows that between  
4 2006 and 2012, the board received no complaints regarding persons practicing alternative  
5 hair design; and

6 WHEREAS, the same study showed that complaints are generally rare, as licensing  
7 boards in ten jurisdictions, including Louisiana, received only one hundred thirty complaints  
8 in seven years, and only six complaints raised concerns of harm to customers, and none of  
9 the six complaints were verified by respective boards; and

10 WHEREAS, according to the 2020 census, Louisiana had the third highest  
11 percentage of African American residents in the nation at thirty-three and one tenth percent,  
12 and Oklahoma had the twenty-seventh highest percentage at nine and seven tenths percent;  
13 and

14 WHEREAS, though these statistics illustrate a wide diversity gap between the two  
15 states, it is interesting to note that with five hundred hours of required instruction, Louisiana  
16 has the second highest requirement of all fourteen jurisdictions requiring a specified number  
17 of instruction hours; and

18 WHEREAS, Louisiana follows only Oklahoma which leads with six hundred hours  
19 of required instruction; and

20 WHEREAS, it is reasonable to estimate that thousands of citizens in this state earn  
21 a living through the practice of alternative hair design; and

22 WHEREAS, freeing such citizens from strict, unnecessary licensing requirements  
23 may stimulate economic development through access to lines of credit for the establishment  
24 of salons and related small business, which in turn may promote increased financial stability  
25 and economic well-being of families; and

26 WHEREAS, due to the lack of risks regarding the health and safety of both the  
27 practitioner and customer, alternative hair design in the state of Louisiana should be an  
28 occupational field free of licensing, and appropriately, LAC 46:XXXI.101 and 1101(A)

1 should be amended and reenacted and LAC 46:XXXI.1105 and 1107 should be repealed  
2 with respect to alternative hair and alternative hair design; and

3 WHEREAS, R.S. 49:969 provides that the legislature, by concurrent resolution, may  
4 suspend, amend, or repeal any rule adopted by a state department, agency, board, or  
5 commission.

6 THEREFORE, BE IT RESOLVED by the Legislature of Louisiana that LAC
