DIGEST
2025 Regular Session

Foil

Present law (R.S. 47:3081 et seq.) creates the Achieving a Better Life Experience in Louisiana Account Program (ABLE), a savings program that encourages and assists individuals and families in saving private funds for the purpose of supporting persons with disabilities in endeavors to maintain health, independence, and quality of life.

Proposed law retains present law.

Present law authorizes an exemption for amounts deposited into an ABLE account from the owner's state taxable income if enacted by the legislature.

Proposed law repeals present law and exempts annual deposits from ABLE account owner's state income tax annual deposits up to \$2,400 for single filers and \$4,800 for joint filers, per account. If less than the maximum annual deposits are deposited in any year, the difference between the total deposit and \$2,400 for single filers or \$4,800 for joint filers shall roll over to subsequent years and shall be exempt from inclusion in the account owner's state taxable income.

Applicable for tax periods beginning on or after January 1, 2026.

Effective August 1, 2025.
