HB 679 Reengrossed

2025 Regular Session

Bayham

Abstract: Reduces the fee applicable to updating a driver's license to comply with REAL ID standards to a handling fee.

Present law requires the office of motor vehicles collect, in addition to any fee authorized by law, a handling charge of \$12 for each duplicate Class "D" and "E" driver's license transactions.

Proposed law specifies that an applicant seeking to update a driver's license to become REAL ID compliant prior to the renewal eligibility of the driver's license is exempt from the fee imposed in present law for the issuance of a duplicate license. Additionally, requires the applicant pay the handling fee as set forth in present law.
