HOUSE CONCURRENT RESOLUTION NO. 70

BY REPRESENTATIVES CARLSON AND COX AND SENATOR BARROW

A CONCURRENT RESOLUTION

To designate Tuesday, June 3, 2025, as Parks and Recreation Day at the state capitol and to designate the month of July as Parks and Recreation Month in the state of Louisiana.

WHEREAS, the Louisiana Recreation and Parks Association's theme for Parks and Recreation Month is "Build Together, Play Together"; and

WHEREAS, parks and recreation are essential to Louisiana's local communities because they promote health and wellness, support childhood development, drive economic opportunities, provide space for people to connect and socialize, and provide adaptable infrastructure for resiliency in the face of natural disasters and climate change; and

WHEREAS, local parks departments across the state provide families with space to gather and make memories, opportunities to introduce children to sports and nature, and a variety of recreational activities; these parks provide Louisianians with a place to enjoy the state's natural outdoor beauty, exercise, and take in fresh air; and

WHEREAS, parks and recreation increase a community's economic prosperity by increasing property values, expanding the local tax base, increasing tourism, attracting and retaining businesses, and reducing crime; and

WHEREAS, local parks play a fundamental role in promoting the environmental well-being of Louisiana communities through the conservation of wildlife habitats and native flora, and they also provide green infrastructure to mitigate the effects of localized flooding; and

WHEREAS, two park systems in Louisiana are part of the less than two percent of American park systems that have received accreditation through the National Recreation and Park Association: the New Orleans Recreation Development Commission and the capitol region's BREC; and

WHEREAS, local parks and recreation departments from across Louisiana will join the Louisiana Recreation and Parks Association in gathering at the capitol to promote the vital role they play in local communities.

THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby designate Tuesday, June 3, 2025, as Parks and Recreation Day at the state capitol and does hereby designate the month of July as Parks and Recreation Month in the state of Louisiana.
