2. Makes technical changes.

DIGEST OF THE SENATE BILL AS RETURNED TO THE SENATE

SB 26 Engrossed

2025 Regular Session

Boudreaux

Proposed law requires the La. Dept. of Health to develop and provide certain type 1 diabetes information to the Dept. of Education.

Proposed law requires the Dept. of Education to provide the information to each city, parish, and local public school board.

Proposed law requires a recommendation that a parent or legal guardian of a student displaying warning signs with type 1 diabetes or positive early detection screening results should immediately consult the primary care doctor to develop a treatment plan.

Proposed law requires the school boards to distribute the information to parents and legal guardians of all prekindergarten and K-12 students upon enrollment and annually thereafter by posting on school websites or by electronic distribution.

Proposed law requires the state Dept. of Education to annually report certain information regarding students diagnosed with Type 1 diabetes to the La. Dept. of Health.

Effective August 1, 2025.
