FUNDS/FUNDING EN INCREASE SD RV See Note Page 1 of 1
 Provides for the imposition of fines for driving offenses

The proposed law provides additional fines for offenders of operating a vehicle while impaired, including a \$25 fine upon the conviction of a first offense, a \$50 fine upon the conviction of a second offense, a \$100 fine upon conviction of a third offense, and a \$250 fine upon conviction of a fourth offense. The proposed law provides additional fines for offenders of reckless operation of a vehicle, including a \$5 fine upon the conviction of a first offense and a \$25 fine upon conviction of a second or more offense. The proposed law provides additional fines for offenders of reckless operation of an off-road vehicle of \$5 upon conviction. The proposed law provides additional fines for offenses, including exceeding the maximum speed limit, general speed law, and drag racing and racing on public roads and certain property. The proposed law requires all mentioned fines be collected by the sheriff to be forwarded by the state treasurer within thirty days of collection. After the funds are allocated to the Bond Security and Redemption Fund, the proposed law requires the state treasury to deposit collections from the fund to the Louisiana Emergency Response Network Fund.

EXPENDITURE EXPLANATION

Any additional funds received by the LA Department of Health (LDH) under this measure can be expended solely to fund grants, projects, and services by the LERN board authorized under R.S. 40:2845 (Act 934 of 2010 RS).

REVENUE EXPLANATION

Proposed legislation will increase revenue deposited to the Louisiana Emergency Response Network (LERN) Fund due to the collection of additional fines for certain driving offenses. The additional fine amounts that will be deposited in the LERN fund associated with operation of a vehicle while impaired, reckless operation of a vehicle, reckless operation of an off-road vehicle, maximum speed limit, general speed law, and drag racing or racing on public roads and certain property include:

Type of Offense	1 st Offense	2 nd Offense	3 rd Offense	4 th Offense
Operating while impaired	\$25	\$50	\$100	\$250
Reckless operation	\$5	\$10	\$10	\$10
Reckless operation off-road	\$5	\$5	\$5	\$5
Maximum speed limit	\$5	\$5	\$5	\$5
General speed law	\$5	\$5	\$5	\$5
Drag racing or racing	\$10	\$20	\$40	\$100

Overall, the exact amount of revenue deposited into the LERN fund due to the proposed law is indeterminable.

Note: The Louisiana Dept. of Health (LDH) reports information regarding several other states that have collected revenue generated from fees/fines related to driving offenses and deposited them into a fund dedicated to their state's trauma care system, including Georgia, Texas, Florida, Oklahoma, and Virginia.

For example, the state of Virginia requires the appropriate court to order any person convicted of certain driving offenses to pay \$50 to the established Trauma Center Fund in the state treasury to fund the cost of providing emergency medical care to victims of automobile accidents authorized by Virginia law (code 18.2-270.01). According to the Richmond Times-Dispatch, Richmond, Virginia's primary daily newspaper, the Virginia Department of Health's Office of Emergency Medical Services (EMS) collected approximately \$20 M for the Trauma Center Fund in FY 19. In the subsequent year, collections decreased to about \$10 M. In Florida, \$10 from each traffic violation is directed to trauma centers. In FY 20, the Florida Department of Health's Emergency Medical Services (EMS) Trust Fund awarded \$2.2 M to the counties amongst the state from surcharges on traffic violations.
