

RÉSUMÉ DIGEST

ACT 61 (HB 118)

2025 Regular Session

Egan

Prior law required a psychiatrist, a psychiatric mental health nurse practitioner, or a psychologist to conduct an in-person examination of an individual prior to issuing an emergency certificate.

New law changes prior law by removing the requirement that the in-person examination be conducted by a psychiatrist, psychiatric mental health nurse practitioner, or a psychologist.

Effective August 1, 2025.
