A. It is unlawful for any person to possess any video or still image created
by artificial intelligence that depicts another person who is under the age of
seventeen years and is totally nude or in a state of undress so as to expose the
genitals, pubic area, buttocks, or female breasts, when the person possessing the
video or still image knows or has reason to know that the person is not licensed or
authorized to possess such video or still image.

B. For purposes of this Section, the following terms have the following
meanings:

(1) "Another person" includes a person whose image was used in creating,
adapting, or modifying a video or still image with the intent to depict an actual

1 person and who is recognizable as an actual person by the person's face, likeness, or
2 other distinguishing characteristic.

3 (2) "Artificial intelligence" means an artificial system developed in computer
4 software, physical hardware, or other context that solves tasks requiring human-like
5 perception, cognition, planning, learning, communication, or physical action.

6 (3) "Electronic mail service provider" means any person or entity, including
7 an internet service provider, that is an intermediary in sending or receiving electronic
8 mail or that provides to end users of the electronic mail service the ability to send or
9 receive electronic mail.

10 (4) "Interactive computer service" means any information service, system,
11 or access software provider that provides or enables computer access by multiple
