

2026 Regular Session

HOUSE BILL NO. 626

BY REPRESENTATIVES JORDAN AND CHASSION

COLLEGES/UNIVERSITIES: Provides relative to suicide prevention plans at colleges and universities

1 AN ACT

2 To enact R.S. 17:1819, relative to suicide prevention; to implement recommendations made
3 by the Task Force on African American Suicide Rates; to require public post-
4 secondary education institutions to provide certain information regarding suicide
5 prevention; to provide for the collection and sharing of aggregated, nonidentifiable
6 data on suicide risk assessments; to provide for applicability; and to provide for
7 related matters.

8 Be it enacted by the Legislature of Louisiana:

9 Section 1. R.S. 17:1819 is hereby enacted to read as follows:

10 §1819. Public postsecondary education institution suicide prevention initiatives

11 A.(1) Each public postsecondary education institution shall post on its
12 website the following information:

13 (a) The National Suicide Prevention Lifeline hotline number, "988", with an
14 explanation that this number may be called or texted.

15 (b) A local suicide prevention hotline number, if available, and a state
16 suicide prevention hotline number, if available.

17 (2) Each public postsecondary education institution shall have printed on
18 student identification cards the information provided in Subparagraphs (1)(a) and (b)
19 of this Subsection.

1 B. Each public postsecondary education institution shall implement the
2 following suicide prevention initiatives:

3 (1) Provide each entering full-time, part-time, undergraduate, graduate, and
4 professional student, including transfer students, information about available mental
5 health and suicide prevention services and early warning signs for a person who may
6 be considering suicide. The information may be provided through a live presentation
7 or a format that allows student interaction, including an online program or video, and
8 shall not be provided in a paper format only.

9 (2) Provide that individuals with training and experience in mental health
10 issues who focus on reducing student suicides and attempted suicides are available
11 on campus or remotely by telephone or other means for students twenty-four hours
12 a day, seven days a week.

13 C.(1) Each public postsecondary education institution shall develop and
14 implement a system for collecting and reporting data on suicide risk assessments
15 conducted by that institution. The data collected shall include but not be limited to:

16 (a) The total number of suicide risk assessments conducted annually.

17 (b) Demographic information, including race, ethnicity, and gender.

18 (c) The number of students referred to mental health services as a result of
19 the assessments.

20 (2) All data collected and reported shall be aggregated and nonidentifiable,
21 ensuring that individual students cannot be personally identified.

DIGEST

The digest printed below was prepared by House Legislative Services. It constitutes no part of the legislative instrument. The keyword, one-liner, abstract, and digest do not constitute part of the law or proof or indicia of legislative intent. [R.S. 1:13(B) and 24:177(E)]

HB 626 Engrossed

2026 Regular Session

Jordan

Abstract: Requires colleges and universities to implement plans for suicide prevention.

Proposed law requires colleges and universities to provide information to students regarding suicide prevention.

Proposed law requires colleges and universities to provide suicide prevention hotline and services information on student identification cards.

Proposed law requires colleges and universities to collect and report aggregated, nonidentifiable data on suicide risk assessments.

(Adds R.S. 17:1819)
