Proposed law repeals present law and provides for a uniform court reporter fee schedule for all judicial district courts by providing that the fee not exceed \$6 per 32-line page transcript and up to \$2 per page per certified copy reported and transcribed. Proposed law further provides that fees may be set up to the statutory amount by a majority of the judges.

Proposed law provides that the fees shall be retained by the court reporter as compensation, in addition to the salary, and shall be taxed as costs of the case in which such testimony is taken.

Proposed law provides that an electronic copy may be furnished with a certified copy upon request.

Proposed law provides that a salaried court reporter shall not, in any civil or criminal case, charge a sitting fee.

Proposed law provides that when an expedited transcript is requested, the following expedited fees may be charged:
