HB 1095 Original

2026 Regular Session

Hebert

Abstract: Requires a nursing facility to maintain fuel or alternative power generation source onsite.

Present law requires nursing facilities to install a permanent generator or alternative power source at each facility.

Present law provides that a nursing facility shall have fuel onsite prior to an emergency event.

Proposed law clarifies present law by adding that a nursing facility must have fuel or an alternative power generation source stored onsite.

(Amends R.S. 40:2009.24(C)(1)(intro. para.))
