HB 1174 Original

2026 Regular Session

Bourriaque

**Abstract:** Re-creates the Louisiana Department of Transportation and Development.

Present law (sunset) provides that the Dept. of Transportation and Development (DOTD) and all the statutory entities made a part of the dept. by law must begin to terminate their operations on June 30, 2026, and that all legislative authority for such entities shall cease as of July 1, 2027, unless the legislature enacts a bill recreating the DOTD, and its statutory entities prior thereto.

Proposed law provides for the general re-creation of the DOTD and its statutory entities, effective June 30, 2026, in accordance with "sunset" law.

Proposed law supersedes the provisions of the "sunset" law which set out the procedure for review and re-creation and requires a separate bill to re-create each statutory entity within the department along with additional provisions.

Proposed law makes July 1, 2031 the new termination date and provides that termination begins July 1, 2030, unless the department is re-created again.

Effective June 30, 2026.
