
DIGEST

The digest printed below was prepared by House Legislative Services. It constitutes no part of the legislative instrument. The keyword, one-liner, abstract, and digest do not constitute part of the law or proof or indicia of legislative intent. [R.S. 1:13(B) and 24:177(E)]

HCR 104 Engrossed

2026 Regular Session

Coates

Urges and requests the Dept. of Conservation and Energy and the La. Geological Survey to establish an advisory committee to review existing law and regulations governing subsurface data, identify opportunities for interagency coordination and modernization regarding the collection, retention, and accessibility of well logs, core samples, and other subsurface data held by the state, and develop a proposal for a comprehensive subsurface data system, with written findings and recommendations, for submission to the legislature by March 1, 2027.
