2026 REGULAR SESSION
ACTUARIAL NOTE**

Senate Bill 22 SLS 26RS-98 Enrolled Author: Carter LLA Note SB 22.03	Date: May 14, 2026 Organizations Affected: MERS EN NO IMPACT APV
---	---

Bill Header: RETIREMENT SYSTEMS: Provides for the eligibility of certain positions within the office of the constable of the Second City Court of the city of New Orleans for membership in the Municipal Employees' Retirement System of Louisiana (MERS).

Purpose of Bill: Proposed law defines marshals or constables of city courts, if not otherwise eligible for membership in another public retirement system, as a participating employer in the Municipal Employees Retirement System (MERS).

I. ACTUARIAL IMPACT ON RETIREMENT SYSTEMS

This section of the actuarial note is intended to provide a brief outline of the changes in plan provisions and actuarial effect on key aspects of the affected retirement systems.

City marshals and their employees and city constables and their employees are currently eligible to participate in MERS under R.S. 11:1752, but are not specifically identified as participating employers. Proposed law appears to add clarity to existing statute by adding them as a participating employer. However, there may be city marshals or city constables that are not currently participating in MERS. To the extent these employers join MERS, we would expect the total number to be relatively small and the actuarial impact to be minimal.

II. FISCAL IMPACT ON RETIREMENT SYSTEMS

This section of the actuarial note pertains to annual fiscal costs (savings) associated with the retirement systems.

The proposed legislation is not expected to have any measurable effects on retirement related fiscal costs and revenues during the five-year measurement period.

III. FISCAL IMPACT ON LOCAL GOVERNMENT ENTITIES

This section of the actuarial note pertains to annual fiscal costs (savings) related to administrative expenditures and revenue impacts incurred by local government entities other than those included in Section II.

The proposed legislation is not expected to have any additional effects on fiscal administrative costs and revenues related to local government entities during the five-year measurement period, other than those outlined above.

IV. FISCAL IMPACT ON STATE GOVERNMENT ENTITIES
(Prepared by Legislative Fiscal Office)

This section of the actuarial note pertains to annual fiscal costs (savings) related to administrative expenditures and revenue impacts incurred by state government entities other than those included in Section II.

N/A - This bill only impacts local government, and therefore, has no state impact. The LFO does not review local government bills.
