

1 WHEREAS, facilities licensed as Crisis Receiving Centers are the only facilities
2 authorized and staffed to offer both short-term, twenty-three-hour crisis stabilization services
3 (Behavioral Health Crisis Centers) and longer-term, three through seven-day crisis care (CS)
4 at the same location for individuals requiring further stabilization; and

5 WHEREAS, the Louisiana Medicaid fee schedule has distinct reimbursement rates
6 for behavioral health crisis care performed with a Behavioral Health Service license versus
7 a Crisis Receiving Center license in accordance with the different levels of staffing required;
8 and

9 WHEREAS, Medicaid reimbursement rates for Behavioral Health Crisis Centers
10 providers operating under a Crisis Receiving Center license are inadequate to cover the cost
11 of the twenty-four-hour staffing model required by the Louisiana Department of Health and
12 the additional staffing required to care for higher-acuity patients served by BHCC-CRCs;
13 and

14 WHEREAS, an independent, third-party rate analysis shows the total per diem cost
15 for a Crisis Receiving Center -licensed Behavioral Health Crisis Center to provide the first
16 twenty-three hours of care in compliance with state and federal regulatory staffing
17 requirements is one thousand one hundred sixty-three dollars, which includes costs for
18 clinicians, nurses, licensed prescribers, peer support specialists, and behavioral health
19 technicians; and

20 WHEREAS, the current Louisiana Medicaid per diem reimbursement rate for a Crisis
21 Receiving Center -licensed Behavioral Health Crisis Center is five hundred forty-nine
22 dollars and forty cents; and

23 WHEREAS, as a result of inadequate Medicaid reimbursement rates for Crisis
24 Receiving Center-licensed Behavioral Health Crisis Centers, there is currently only one
25 provider of this type throughout Louisiana; and

26 WHEREAS, other Crisis Receiving Centers have attempted to open in other regions
27 of the state but have been unable to open or remain viable due to inadequate Medicaid
28 reimbursement rates.

29 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
30 urge and request the Louisiana Department of Health and Louisiana commercial health

1 insurance payors to increase reimbursement rates to more accurately reflect the cost of
2 providing crisis stabilization services at Behavioral Health Crisis Centers operating under
3 a Crisis Receiving Center license.

4 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
5 secretary of the Louisiana Department of Health and the president of the Louisiana
6 Association of Health Plans.

HCR 105 Engrossed

2026 Regular Session

Freiberg

Requests the La. Dept. of Health and commercial health insurance payors to increase payments for crisis centers so that the centers can operate more sustainably and expand access to mental health care.
