#### DIGEST

Present law provides that sex offenders must register with the sheriff or chief municipal law enforcement officer with 21 days of establishing a residence in the parish or municipality.

Proposed law provides that during a state of emergency, a sex offender who gains admittance to a shelter or other housing facility must notify the shelter or housing facility manager of his status as a sex offender with 24 hours of admittance. The manager must notify the chief law enforcement officer of the parish or municipality whenever possible.
