## DIGEST

Proposed law provides for maintaining a full-time state employee mandated to evacuate from his home or displaced from his job by a gubernatorially declared disaster on the state payroll and continuing his benefits when he resides within the state, and is not otherwise employed full-time and makes himself continuously available for suitable work assignment. Requires that if the person provides false information he has to repay all salary, contribution to retirement and benefits paid on his behalf.

(Adds R.S. 42:450.11 - 450.14)
