To amend and reenact R.S. 47:609(A), relative to the corporation franchise tax; to provide for the computation of borrowed capital which includes extraordinary debt incurred by corporations directly affected by hurricanes Katrina and Rita; to provide for an effective date; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 47:609(A) is hereby amended and reenacted to read as follows: §609. Due date, payment and reporting of tax

A.(1) The tax levied by this Chapter is for the annual accounting period, fiscal, or calendar year, regularly used by the taxpayer in keeping its books, with no proration for a portion of the year in the case of dissolution of domestic corporations or withdrawal from the state by foreign corporations, or where a corporation otherwise ceases to become taxable under this Chapter. The tax is due on the first day of each calendar or fiscal year and annually thereafter, and, except as provided for in Paragraph (2) of this Subsection, is computed on the basis of the previous calendar or fiscal year closing. The tax is payable to the secretary on or before the fifteenth day of the third month following the month in which the tax is due.

1	However, if the day on which the tax is payable falls on a Saturday, Sunday, or legal
2	holiday, the tax shall be payable on the next business day. With its payment the
3	taxpayer shall deliver to the secretary a full, accurate, and complete report and
4	statement signed by a duly authorized official of the corporation, containing such
5	information as the secretary may require.
6	(2)(a) For taxable periods beginning after August 28, 2005, a
7	corporation that incurred extraordinary debt as a result of a gubernatorially
8	declared disaster of 2005 may elect to compute its borrowed capital on the basis
9	of the calendar or fiscal year closing immediately prior to August 28, 2005, if:
10	(i) Fifty percent or more of the corporation's revenue for the fiscal year
11	closing immediately prior to August 28, 2005, was directly attributable to a
12	<u>Hurricane Katrina or Hurricane Rita Federal Emergency Management Agency</u>
13	Individual Assistance Area.
14	(ii) Fifty percent or more of the corporation's property and assets were
15	situated or used in a Hurricane Katrina or Hurricane Rita Federal Emergency
16	Management Agency Individual Assistance Area on the date of the calendar or
17	fiscal year closing immediately prior to August 28, 2005.
18	(b) Extraordinary debt incurred as a result of a gubernatorially
19	declared disaster of 2005 means any borrowed capital of a corporation to which
20	Subparagraph (2)(a) or (b) of this Subsection applies that is in excess of the
21	borrowed capital on that corporation's books on the calendar or fiscal year
22	closing immediately prior to August 28, 2005.
23	* * *
24	Section 2. The provisions of this Act shall apply to any corporation, including but not
25	limited to, Terry Bradshaw and Associates, which may borrow capital for the purposes of
26	purchasing any National Football League (NFL) franchise team, which said incurred debt
27	is to be used to revitalize a Hurricane Katrina or Hurricane Rita Federal Emergency
28	Management Agency Individual Assistance Area.

Section 3. The provisions of this Act shall not be used to benefit the current owner

of the New Orleans Saints professional football team or any relatives thereof.

Section 4. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval.

The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Jerry J. Guillot.

DIGEST

<u>Present law</u> provides that the franchise tax is computed on the basis of the previous calendar or fiscal year closing.

<u>Proposed law</u> provides that corporations that had at least 50% of their property located in or that receive at least 50% of their revenues from the Hurricane Katrina or Hurricane Rita Federal Emergency Management Agency Individual Assistance Area and that have borrowed capital that is in excess of the borrowed capital on that corporation's books on the calendar or fiscal year closing immediately prior to August 28, 2005, will be considered to have incurred extraordinary debt as a result of a gubernatorially declared disaster of 2005 and therefore may elect to compute the borrowed capital portion of their franchise tax base either on the basis of the previous calendar or fiscal year closing or on the basis of the calendar or fiscal year closing immediately prior to August 28, 2005.

<u>Proposed law</u> shall apply to any corporation, including but not limited to, Terry Bradshaw and Associates, which may borrow capital for the purposes of purchasing any National Football League (NFL) franchise team, which said incurred debt is to be used to revitalize a Hurricane Katrina or Hurricane Rita Federal Emergency Management Agency Individual Assistance Area.

<u>Proposed law</u> shall not be used to benefit the current owner of the New Orleans Saints professional football team or any relatives thereof.

Effective upon signature of the governor or lapse of time for gubernatorial action.
