HB No. 167

Abstract: Provides that unreasonable rent increases to residential property in declared disaster areas is an unfair trade practice.

Proposed law provides that an unreasonable rent increase in declared disaster areas caused by Hurricanes Katrina and Rita shall constitute an unfair trade practice.

Proposed law provides that the attorney general shall determine the reasonableness of any rent increase by reference to prevailing market rates for comparable rentals in the affected rental market before August 26, 2005.

Proposed law provides that when determining the reasonableness of a rent increase, the attorney general shall consider the costs, including mortgage payments not covered by rent or business interruption insurance, incurred after August 26, 2005, in order to clean and repair the premises.

Proposed law provides that the attorney general shall promulgate emergency and permanent regulations pursuant to the Administrative Procedure Act, R.S. 49:951 et seq., establishing procedures for the investigation and evaluation of rent increases, providing for notice of the investigation and findings to the alleged violator, protecting consumers from retaliation, and identifying circumstances in which the attorney general may issue a cease and desist order to prevent or restrain an unfair trade practice in the residential real estate market.

Proposed law provides that the attorney general may issue a cease and desist order in accordance with the criteria and procedures established by regulation in order to prevent or restrain an unfair trade practice in the residential real estate market. However, the attorney general must give notice to a lessor that a complaint has been received and the lessor shall be given ten days to respond before the cease and desist order is issued.

Proposed law provides that a court may order additional relief, including the posting of notices and monitoring by the attorney general, when necessary to prevent or restrain an unfair trade practice in the residential real estate market.

Effective upon signature of governor or lapse of time for gubernatorial action. This Act shall become null and void on August 15, 2006.
