

First Extraordinary Session, 2005

HOUSE BILL NO. 56

BY REPRESENTATIVES PINAC, MARTINY, JOHNS, AND HEATON AND SENATOR  
MARIONNEAUX

1 AN ACT

2 To enact R.S. 4:147.1, relative to live horse racing; to provide relative to the required  
3 number of live racing days; to provide for the authority of the Louisiana State Racing  
4 Commission to approve additional races or race days and locations, transfer proceeds  
5 and purse supplements, all as made necessary by damage to existing facilities due  
6 to a disaster, emergency, or force majeure, or other such occurrence; to provide for  
7 definitions; and to provide for related matters.

8 Be it enacted by the Legislature of Louisiana:

9 Section 1. R.S. 4:147.1 is hereby enacted to read as follows:

10 §147.1. Commission; purse supplements; additional or substitute races and race  
11 days; force majeure

12 A. For the purposes of this Section, "eligible facility" has the same meaning  
13 as that term defined in R.S. 27:353(4).

14 B. If the commission determines that a licensed eligible facility is affected  
15 and therefore unable to conduct all or part of a scheduled race meet, authorized by  
16 the commission, due to a natural disaster, an act of God, force majeure, a  
17 catastrophe, or such other occurrence over which the eligible facility has no control,  
18 the commission notwithstanding any other law:

19 (1) May authorize additional or substitute races and race days up to the  
20 number of races or race days that are unable to be conducted at the affected licensed  
21 eligible facility to be conducted at another licensed eligible facility.

22 (2) Upon such authorization of additional or substitute races and race days,  
23 the commission shall order the transfer of a pro rata portion of the annual net slot

1 machine proceeds received for purses from slot machine gaming operations and  
2 those other monies received which are dedicated by law to purses at the affected  
3 licensed eligible facility to the other licensed eligible facility in order to supplement  
4 purses for horse races at the other licensed eligible facility conducting the additional  
5 or substitute races and race days. The funds so transferred shall be proportional in  
6 amount to the number of races held at each of the two eligible facilities during the  
7 entirety of the time period of the scheduled race meet, if any, and the time period of  
8 the additional or substitute races and race days. The funds transferred pursuant to  
9 this Section shall be used exclusively for the purses of the additional or substitute  
10 races.

11 (3) Shall meet, subsequent to November 10, 2005, and authorize a revised  
12 race meet for the affected licensed eligible facility that reflects the number of races  
13 and race days, if any, the commission determines is reasonable under the  
14 circumstances.

15 C. Upon notification by the affected licensed eligible facility and verification  
16 by the commission, that the affected licensed eligible facility is capable of resuming  
17 races in accordance with the revised race meet schedule, if any, the commission shall  
18 authorize and order the transfer of races and race days and any remaining transferred  
19 purse funds back to the formerly affected licensed eligible facility upon a finding by  
20 the commission that said action is reasonable under the circumstances.

21 Section 2. The provisions of this Act shall have retroactive application to August 29,  
22 2005.

23 Section 3. If any provision of this Act or the application thereof is held invalid, such  
24 invalidity shall not affect other provisions or applications of this Act which can be given  
25 effect without the invalid provisions or applications, and to this end the provisions of this  
26 Act are hereby declared severable.

27 Section 4. This Act shall become effective upon signature by the governor or, if not  
28 signed by the governor, upon expiration of the time for bills to become law without signature  
29 by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If

1 vetoed by the governor and subsequently approved by the legislature, this Act shall become  
2 effective on the day following such approval.
