 Provides with respect to the Louisiana Geographic Information System (Item #26)

The proposed legislation adds representatives to the Geographic Information System Council including the Department of Labor, DSS, and the Department of Education. Authorizes representatives on the council to appoint designees. Also establishes specific powers and duties for the La. Geographic Information Center (LAGIC), including entering into contracts and agreements, seeking reimbursements for certain activities, and seeking funding sources.

EXPENDITURE EXPLANATION

Passage of this legislation will not have any direct impact on state and local expenditures as council members do not receive per diem or travel expenses. Support services to state or local entities will be at each agency's discretion and any costs incurred by LAGIC to provide support will be recovered directly from the requesting agency.

REVENUE EXPLANATION

According to the DOA, giving the Louisiana Geographic Information Center legal standing in statute as the state's coordinating entity will make it more likely for it to be considered for federal grant funding in the future.
