3 B.(1) Relative to continuing eligibility requirements for a Tuition
4 Opportunity Program for Students' award applicable for the 2005-2006 academic
5 year to a student displaced during the 2005-2006 academic year, the Louisiana
6 Student Financial Assistance Commission, in accordance with the Administrative
7 Procedure Act, shall provide by rule as follows:

8 (a)(i) The provisions of R.S. 17:3048.1(W) permitting a student qualified
9 for a program award who enrolls as a first-time freshman in an eligible out-of-state
10 college or university to subsequently use the award at an eligible Louisiana college
11 or university shall apply to a displaced student except that the time period of award
12 eligibility shall not be reduced due to the student's attendance at an eligible out-of-
13 state institution during the 2005-2006 academic year.

14 (ii) Relative to a displaced student having a suspended program award due
15 to the student not meeting a requirement relative to having a specified grade point
16 average or making steady academic progress, the respective time periods provided
17 in R.S. 17:3048.1 for the student to meet such requirement or lose program eligibility
18 shall be extended on a one-for-one basis for each semester or other term in which the
19 student does not enroll on a full-time basis in an eligible college or university during
20 the 2005-2006 academic year.

21 (iii) The program award for a displaced student shall not be canceled if the
22 student enrolls during the 2005-2006 academic year in an eligible out-of-state
23 institution subsequent to use of a program award at an eligible Louisiana college or
24 university. Additionally, the periods of time provided in R.S. 17:3048.1 for use by
25 eligible recipients of program awards shall not be reduced for those semesters or
26 terms such displaced student was enrolled in an eligible out-of-state institution
27 during the 2005-2006 academic year and the unused period of time shall remain
28 available to the displaced student for use at an eligible Louisiana college or
29 university.

1 (iv) In addition to the provisions of R.S. 17:3048.1(B)(2) permitting a
2 recipient to use a TOPS-Tech Award at an eligible Louisiana college or university
3 to pursue skill or occupational training, as defined by the Board of Regents,
4 including a vocational or technical education certificate or diploma program or a
5 nonacademic degree, a TOPS-Tech Award also may be used during the 2005-2006
6 academic year by a displaced student to enroll on a full-time basis at an eligible
7 Louisiana college or university granting academic undergraduate degrees to take
8 courses that contribute to the pursuit of a skill or occupation. In such case, the award
9 amount paid by the state on behalf of the student shall be at the Opportunity Award
10 level.

11 (2)(a)(i) Relative to continuing eligibility requirements for a Tuition
12 Opportunity Program for Students' award applicable for the 2005-2006 academic
13 year to a student displaced during the 2005-2006 academic year, the Louisiana
14 Student Financial Assistance Commission, in consultation with the commissioner of
15 higher education and in accordance with the Administrative Procedure Act, shall by
16 rule waive any provision of R.S. 17:3048.1 that imposes on a displaced student a
17 program requirement or condition that such student cannot comply with or meet
18 when it is determined by the commission that a failure to comply with the
19 requirement or meet the condition, more likely than not, is due solely to a
20 consequence of Hurricane Katrina or Rita, or both.

21 (ii) Relative to continuing eligibility requirements for a Tuition Opportunity
22 Program for Students' award applicable for the 2005-2006 academic year to any
23 student displaced during the 2005-2006 academic year as a consequence of a disaster
24 or emergency other than Hurricane Katrina or Rita and for which the governor
25 declares a state of emergency to exist, the Louisiana Student Financial Assistance
26 Commission, in consultation with the commissioner of higher education and in
27 accordance with the Administrative Procedure Act, shall by rule waive any provision
28 of R.S. 17:3048.1 that imposes on such student a program requirement or condition
29 that the student cannot comply with or meet when it is determined by the
30 commission that a failure to comply with the requirement or meet the condition,

1 more likely than not, is due solely to a consequence of the declared disaster or
2 emergency.

3 (b) In addition to provisions of the Administrative Procedure Act relative to
4 oversight by the legislature of the adoption of commission rules, the Joint Legislative
5 Committee on the Budget, in accordance with procedures and threshold amounts
6 established by the committee, shall have oversight and approval authority over any
7 rule proposed for adoption pursuant to the provisions of this Paragraph that has a
8 significant program or other cost, or both, to the state.

9 C. The Louisiana Student Financial Assistance Commission shall take all
10 administrative action necessary to expedite full implementation of the provisions of
11 this Section. The commission also shall disseminate information to displaced
12 students and others regarding program changes pursuant to the provisions of this
13 Section in the most timely manner possible.

14 Section 2. This Act shall become effective upon signature by the governor or, if not
15 signed by the governor, upon expiration of the time for bills to become law without signature
16 by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If
17 vetoed by the governor and subsequently approved by the legislature, this Act shall become
18 effective on the day following such approval.
