Dedicates a portion of the state excise tax levied on beverages of low alcoholic content to the La. Wounded Warrior Fund

<u>Current law</u> imposes a an excise tax of \$10 per barrel on low alcoholic content beverages (beer). These tax receipts are deposited to the state general fund.

Proposed law dedicates 10% of these receipts to the Louisiana Wounded Warrior Fund, newly created by this bill. These monies are to be used solely for hospitalization or rehabilitation costs of Louisiana citizens wounded while serving in the military. Unexpended balances remain in the fund, and interest earnings are credited to the state general fund.

Effective July 1, 2013.

## **EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure. Monies allocated to the newly created Louisiana Wounded Warrior Fund are subject to appropriation solely for hospitalization or rehabilitation costs of Louisiana citizens wounded while serving in the military.

## **REVENUE EXPLANATION**

The latest official revenue forecast (12/13/13) projects total state beer tax collections at \$35.6 million per year through the forecast horizon. Thus, a 10% dedication of these receipts would reduce state general fund receipts by \$3.560 million per year. A like amount would be allocated as statutory dedication to the Louisiana Wounded Warrior Fund, newly created by this bill.
