DIGEST

LaFleur (SB 205)

Proposed law creates the "Immersion School Choice Act" and provides as follows:

- (1) Authorizes a local public school board to establish a foreign language immersion program in any school under its jurisdiction that shall be open to the enrollment of any student who resides within the jurisdictional boundaries of the school district.
- (2) Provides that, beginning with the 2014-2015 school year, a local public school board, if requested in writing signed by the parent or legal guardian of at least 25 students enrolled in kindergarten who reside within the jurisdictional boundaries of the school district, shall establish a foreign language immersion program for such students, provided:
 - (a) The parent or legal guardian of each student commits, in writing, that the student will participate in the program.
 - (b) The requisite number of signatures are submitted to the local school board not later than March first prior to the school year in which the program is to be established.
 - (c) The MFP formula provides funding to local school systems employing foreign language teachers to provide salary supplements for such teachers.
 - (d) A sufficient number of foreign language teachers, with the required credentials as prescribed by the State Board of Elementary and Secondary Education are available through programs administered by the Department of Education and the Council for the Development of French in Louisiana to establish the program.
 - (e) There is no existing foreign language immersion program offered by the local school board that has been certified by the State Board of Elementary and Secondary Education.
- (3) Provides that such program shall be continued as long as at least 20 students remain enrolled in the program.
- (4) Requires the local school board to ensure that any foreign language immersion program created pursuant to proposed law is designated as a Certified Foreign Language Immersion Program in accordance with applicable law and is established within three years from the date of such program.

- (5) A local school board shall not be required to provide transportation to any student enrolled in a foreign language immersion program established, that is located outside the attendance zone of the school the student would otherwise attend, if providing such transportation would result in additional transportation costs to the school system.

Present law provides for the Balanced Treatment for Creation-Science and Evolution-Science Act which required public schools in the state to give balanced treatment to creation-science and evolution-science in classroom instruction and instructional materials.

Proposed law repeals present law which was ruled unconstitutional by the U.S. Supreme Court. (Edwards v. Aguillard, La. 1987, 107 S. Ct. 2573, 96 L.Ed.2d 510.)

Effective August 1, 2013.

(Adds R.S. 17:273.3; repeals RS 17:286.1-286.7)

Summary of Amendments Adopted by Senate

Committee Amendments Proposed by Senate Committee on Education to the original bill

1. Replaces parent petition process with written request by specified number of parents.
2. Provides that the required number of written requests be submitted to the local school board by March first of the year prior to the school year in which the program will be established.
3. Requires the local school board to ensure that immersion programs established pursuant to proposed law are designated as a Certified Foreign Language Immersion Program by BESE.
4. Repeals the Balanced Treatment for Creation-Science and Evolution-Science Act.

Senate Floor Amendments to engrossed bill

1. Provides that a school board is not required to provide student transportation for students in the foreign language immersion program.
2. Makes technical change.
