SUMMARY OF HOUSE AMENDMENTS TO THE SENATE BILL

1. Removes provisions that no public high school be a member or participate in any extracurricular interscholastic athletic activity regulated by a legal entity which provides that no eligible student be prohibited from participating in any soccer camp or showcase, provided such participation complies with rules in regard to college recruitment.

DIGEST OF THE SENATE BILL AS RETURNED TO THE SENATE

Present law (R.S. 17:176(A)) requires each local school superintendent, as he deems appropriate, to review all cocurricular and extracurricular activities and programs with the middle, junior high, and high school principals in the school system to see if they are meeting student needs and are not eroding the academic standards of the schools.

Proposed law retains present law and specifically includes interscholastic athletics in the review process. Makes technical corrections in present law.

Present law (R.S. 17:176(E)) provides that despite any policy, rule, or regulation by the governing authority of a public elementary or secondary school to the contrary, no student otherwise eligible to participate in an extracurricular activity shall be limited in the number of such activities in which the student may participate during a school year.

Proposed law retains present law and specifies that these provisions also apply to interscholastic athletics. Makes technical corrections in present law.

Present law (R.S. 17:176(F)) provides that notwithstanding any Louisiana High School Athletic Association (LHSAA) policy, rule, or regulation to the contrary, no student otherwise eligible to participate in extracurricular interscholastic activity shall be determined ineligible to participate during the student's first year of high school because the student attends a state-approved nonpublic high school located outside of the attendance zone recognized by LHSAA if:

- (1) The high school attended by the student is operated by the same organization or federation of nonpublic schools that operated the school attended by the student the previous school year.
- (2) There is no state-approved nonpublic high school available for the student to attend within the LHSAA recognized zone operated by the same organization or federation of nonpublic schools.

Proposed law repeals present law as these provisions were declared unconstitutional by the La. Supreme Court. (Louisiana High School Athletic Association, Inc., vs. State, 2012-CA-1471 (La. 01/29/13)).

Present law (R.S. 17:176(G)) defines "family", "immediate family", and "extended family", for the purposes of LHSAA rules.

Proposed law repeals present law as these provisions were declared unconstitutional by the La. Supreme Court. (Louisiana High School Athletic Association, Inc., vs. State, 2012-CA-1471 (La. 01/29/13)).

Present law (R.S. 17:176(H)) provides that notwithstanding any LHSAA policy, rule, or regulation to the contrary, no student otherwise academically eligible to participate in extracurricular interscholastic activity shall be determined ineligible if the student's transfer was due to a move necessitated by military orders issued to the student's parent or legal guardian.

Proposed law repeals present law.

Present law (R.S. 17:176(I)) provides that notwithstanding any policy, rule, or regulation adopted by any legal entity that administers or regulates high school extracurricular interscholastic athletics in the state to the contrary, no student otherwise eligible to participate in extracurricular interscholastic activity shall be prohibited from participating in, or training for, any soccer camp or soccer showcase opportunity, provided that such participation complies with applicable laws, policies, guidelines, rules and regulations with regard to college recruitment.

Proposed law repeals present law.

Present law (R.S. 17:236.3) provides that a student in a BESE-approved home study program is eligible to participate in interscholastic athletic events at a LHSAA member high school in accordance with the conditions established in present law for such participation.

Proposed law repeals present law as these provisions were declared unconstitutional by the La. Supreme Court. (Louisiana High School Athletic Association, Inc., vs. State, 2012-CA-1471 (La. 01/29/13)).

Effective August 1, 2013.

(Amends R.S. 17:176(A)(intro para) and (E); repeals R.S. 17:176(F), (G), (H), and (I) and 236.3)
