

New law allows a not-for-profit entity or a charitable organization to receive or use any commercial or game fish, migratory or resident game bird, game quadruped, as defined in R.S. 56:8, alligator, or feral hog in food or meal distribution at no cost to an individual.

Effective upon signature of the governor (June 18, 2013).

(Adds R.S. 40:4.13)
