Abstract: Prohibits membership in the Louisiana State Employees' Retirement System (LASERS) and the Teachers' Retirement System of Louisiana (TRSL) for new hires of certain private employers. Allows current members of such employers to retain their membership.

Present law (R.S. 11:411(8)) authorizes an employee of a primary health center established under federal law to be a member of LASERS if such employee is not eligible for membership in any other state or federal public retirement system based on his employment with the primary health center. Proposed law provides that employees of such employers hired on or after Sept. 1, 2014, shall not be members of LASERS.

TRSL

- (2) The La. Assoc. of Educators.
- (3) The Associated Professional Educators of La.
- (4) The La. Resource Center for Educators.

Proposed law provides that employees of such employers hired on or after Sept. 1, 2014, shall not be members of TRSL.

Present law provides that employees of the La. High School Athletic Assoc. hired on or after July 1, 2011, shall not be members of TRSL. Proposed law retains present law.
