Jones HB No. 34

Abstract: Authorizes a supplemental benefit increase for certain retirees and beneficiaries of the La. State Employees' Retirement System (LASERS).

<u>Present law</u> (R.S. 11:542), relative to LASERS, provides for the accumulation of certain system funds in an "experience account". Provides for utilization of these funds for permanent benefit increases (PBIs), sometimes called cost-of-living adjustments or COLAs, for retirees and beneficiaries of the system. Provides for determination of eligibility for and the amount of any increase paid with these funds.

<u>Proposed law</u> provides for a supplemental benefit increase for those eligible for a PBI pursuant to <u>present law</u> providing for the experience account. Provides that this increase shall be an additional amount to be determined.

<u>Present law</u> requires a concurrent resolution adopted by the legislature as part of the process of granting a PBI pursuant to <u>present law</u>. <u>Proposed law</u> provides that no further action is required by the legislature in order for the system to pay the PBI granted by <u>proposed law</u>.

In compliance with Art. X, §29(F) of the state constitution, <u>proposed law</u> requires that the actuarial cost of <u>proposed law</u> be funded with money from the system's experience account. Further provides that any additional actuarial cost be funded with additional employer contributions.

Effective June 30, 2014.
