HB No. 655

Abstract: Requires a person applying for a commercial driver's license to provide a current medical examiner's certificate on an approved form.

Present law requires a person applying for a commercial driver's license to provide a current medical report on a form approved by the office of motor vehicles. The applicant shall submit a valid medical report upon each renewal and carry a current medical certificate on his person at all times when driving a commercial motor vehicle.

Proposed law modifies present law by requiring a person applying for a commercial driver's license provide a current medical examiner's certificate on a form approved by the office of motor vehicles. Requires the applicant submit a valid medical examiner's certificate upon each renewal and carry a current medical examiner's certificate on his person at all times when driving a commercial motor vehicle.
