DIGEST

Mills (SB 403)

Proposed law prohibits a health insurance issuer or health maintenance organization from refusing to accept premium payments when such payment is made by a third party to the insurance contract, provided that the payment is made from or pursuant to a fund or grant established by any office, agency, or political subdivision of a state, federal, parochial, or municipal governmental entity.

Effective August 1, 2014.

(Adds R.S. 22:1080)
