(3)(a) (bb) Other documentation and information required including but not limited to the low bidder's attestation pursuant to R.S. 38:2212.10 and 2227 shall be furnished by the low bidder within ten days after the bid opening The bidding documents shall not require any bidder, other than the apparent low bidder, to furnish any other information or documentation, including the Attestation Affidavit and the E-Verification Form, any sooner than ten days after the date bids are opened; however, the apparent low bidder may submit such information or documentation at any time prior to the expiration of the ten-day period. If the apparent low bidder does not submit the proper information or documentation as required by the bidding documents within the ten-day period, such bidder shall be declared non-responsive, and the public entity may award the bid to the next lowest bidder, and afford the next lowest bidder not less than ten days from the date the apparent low bidder is declared non-responsive, to submit the proper information and documentation as required by the bidding documents, and may continue such process until the public entity either determines the low bidder or rejects all bids. The ten-day period shall not be altered or waived by any public entity except the governing authority of any publicly owned commercial aviation airport, the Sewerage and Water Board of New Orleans, the Regional Transit Authority, and all agencies of the City of New Orleans, including but not limited to the Regional Transit Authority and the New Orleans Aviation Board, who shall require that the other documentation and information referred to in this Subitem Subparagraph be furnished by the two lowest bidders

no sooner than three days after the bid opening.

(ce) (b) Notwithstanding any other provision of law to the contrary, all bidders shall submit all bid forms required by statute or by the Louisiana Administrative Code to the governing authority of East Baton Rouge Parish prior to the opening of all bids relative to a contract for public works.

(iii) (c) The provisions of this Subparagraph Paragraph shall not apply to bid forms of the Department of Transportation and Development pursuant to Title 48 of the Louisiana Revised Statutes of 1950.

(4) Notwithstanding any other provision of law to the contrary and in addition to any other requirements provided by this Subsection, the Acknowledgment of Addenda to the bid form provided for in this Section for the public bid of public works conducted by the New Orleans Sewerage and Water Board shall also include attachment of the addenda if pricing information is contained therein and the addenda specifies attachment.

(c)(i) (5) Evidence Written evidence of agency, corporate, or partnership the authority of the person signing the bid for public works shall be required for submission of a bid to the division of administration or the state of Louisiana submitted at the time of bidding. The authority of the signature of the person submitting the bid shall be deemed sufficient and acceptable if any of the following conditions are met:

(aa) (a) The signature on the bid is that of any corporate officer listed on the most current annual report on file with the secretary of state, or the signature on the bid is that of any member of a partnership or partnership in commendam, limited liability company, limited liability partnership, or other legal entity listed in the most current partnership records on file with the secretary of state.

(bb) (b) The signature on the bid is that of an authorized representative of the corporation, partnership, or other legal entity and the bid is accompanied by a corporate resolution, certification as to the corporate principal, or other documents indicating authority which are acceptable to the public entity as documented by the

legal entity certifying the authorit	y of the person.
(cc) (c) The cornoration, pa	rtnershin, or oth

 (cc) (c) The corporation, partnership, or other legal entity has filed in the appropriate records of the secretary of state in which the public entity is located, an affidavit, resolution, or other acknowledged or authentic document indicating the names of all parties authorized to submit bids for public contracts. Such document on file with the secretary of state shall remain in effect and shall be binding upon the principal until specifically rescinded and canceled from the records of the office.

Each bid shall be either hand delivered by the bidder or his agent in which instance the deliverer shall be handed a written receipt, or such bid shall be sent by registered or certified mail with a return receipt requested, or shall be submitted electronically as provided in Subsection E of this Section. However, the requirement that all bids be sent by registered or certified mail shall not apply to bids received by municipal and parochial governing authorities. No public entity shall accept or take any bids, including receiving any hand delivered bids, on days which are recognized as holidays by the United States Postal Service. The Department of Transportation and Development and facility planning and control section under the division of administration shall keep on file a list of all states which have passed a bid preference law.

- (b) Only for the purpose of interpretation of the base bid total, written words shall govern if a conflict exists between words and numerals.
- (c) For public works that require unit price bids, the extension of the number of units multiplied by the price per unit shall govern if a discrepancy exists between the sum of the extended prices and the base bid total.
- (d) C. The term "contract limit" as used herein shall be equal to the sum of one hundred fifty thousand dollars per project, including labor, materials, and equipment as per the rates in the latest edition of the Associated Equipment Dealers Rental Rate Book and administrative overhead not to exceed fifteen percent; however:

contract under the provisions of this Section shall furnish, either electronically or by paper, all prime bidders who request bid bidding documents and who are properly licensed by the Louisiana State Licensing Board for Contractors with at least one set of complete bid bidding documents. The public entity may require a deposit on the bid bidding documents; however, the total cost of the deposit, including handling fees and other costs shall not exceed twice the actual cost of reproduction, whether furnished electronically or by paper. Deposits on the first set of documents furnished bona fide prime bidders will shall be fully refunded, either upon return of the documents no later than ten days after receipt of bids or upon electronic cancellation of the documents. On other sets of documents furnished to bidders, whether electronically or by paper, the deposit less actual cost of reproduction, will shall be refunded upon return of the documents no later than ten days after receipt of bids. Where the public entity, itself, prepares and distributes the contract bidding documents, whether electronically or by paper, the public entity may, in lieu of a deposit, charge a fee for the documents, which fee shall not exceed the actual cost of reproduction. Prime bidders shall obtain an original set of electronic or paper bidding documents either from the public entity, the design professional who prepared such documents, or a third party designated by the design professional. Bidding documents shall be distributed as the designer of record chooses when an electronic bid submittal system is used. The public entity or its design professional of record shall maintain a list of all prime bidders for the purpose of addenda distribution.

(ii) Where the Sewerage and Water Board of New Orleans, itself, prepares and distributes electronic contract documents, the Sewerage and Water Board of New Orleans may, in lieu of a deposit, charge a fee for each paper document, which shall not exceed the actual cost of reproduction.

(f)(i) <u>E. (1)</u> Contractors shall be provided the option to submit bids for public contracts through <u>Public entities shall provide</u>, as an additional bidding option, a uniform and secure electronic interactive system <u>for the submittal of bids for</u>

public works requiring competitive bidding. Political subdivisions **Any public entity providing such system** shall follow the standards for the receipt of electronic bids adopted by the office of the governor, division of administration, and the office of information technology as provided for in LAC 4:XV.701 , and shall make the appropriate provisions necessary for the acceptance of electronic bids for all purchases requiring competitive bidding as required by this Section. Any special condition or requirement for the submission shall be specified in the advertisement for bids required by this Section.

- (ii) (2) Public entities that are currently without available high speed Internet access will shall be exempt from this requirement until such time that high speed Internet access becomes available.
- (iii) (3) Any parish with a police jury form of government and a population of less than twenty thousand shall be exempt from the provisions of this Subparagraph Subsection.
- (iv) (4) Any city or municipality with a population of less than ten thousand shall be exempt from the provisions of this Subparagraph Subsection.
- (v) (5) Any special service district created by a police jury form of government and other public entity which is unable to comply with R.S. 38:2212(A)(1)(f)(i) the electronic bidding provisions of this Subsection without securing and expending additional funding shall be exempt from its requirements. The special service district shall be exempted from any expenditures for high speed Internet access, software, personnel costs, training, or other office equipment directly relating to the receipt of bids via high speed Internet access.
- (vi) (6) Public entities shall have the option to require that all bids be submitted electronically for any competitive bid let out for public bid.
- (vii) (7) Public entities must shall include all bid bidding documents as defined in R.S. 38:2211(A)(1) 38:2211(A)(2), on the electronic website accepting the electronic bids.
 - (g) Repealed by Acts 1999, No. 768, §2.

(2) **F.** The bid specification may contemplate a fixed escalation or deescalation in accordance with the United States Bureau of Labor Statistic's Consumer Price Index and/or or the Wholesale Price Index. Bids based on specifications which are subject to a recognized escalation index shall be legal and valid for any item of a public work, at the discretion of the public entity.

(3)(a) G. (1) The advertisement required by this Section for any contract for public works shall be published once a week for three different weeks in a newspaper in the locality, and the first advertisement shall appear at least twenty-five days before the opening of bids. In addition to the newspaper advertisement, a public entity may also publish an advertisement by electronic media available to the general public.

(b) (2) The first publication of the advertisement shall not occur on a Saturday, Sunday, or legal holiday. Plans and specifications All bidding documents shall be available to bidders on the day of the first advertisement and shall be available until twenty-four hours before the bid opening date.

(c)(i) If at the end of the contract document phase, it is determined that the designer's estimate is more than the funds budgeted by the public entity for the project, the project shall not be advertised for bid. The designer's estimate shall be read aloud upon opening bids.

(ii) The bid form shall contain Bid Security or Bid Bond, Acknowledgment of Addenda, Base Bid, Alternates, Signature of Bidder, Name, Title, and Address of Bidder, Name of Firm or Joint Venture Corporate Resolution, and Louisiana Contractors License Number, and on public works projects where unit prices are utilized, their inclusion in the bid form; however, unit prices shall not be utilized for the construction of building projects, unless the unit price is incorporated into the base bid. Other documentation required shall be furnished by the low bidder within ten days after the bid opening. The governing authority of any publicly owned commercial aviation airport, the Sewerage and Water Board of New Orleans, and all agencies of the City of New Orleans, including but not limited to the Regional

Transit Authority and the New Orleans Aviation Board shall require that the other documentation referred to above shall be furnished by the two lowest bidders three days after the bid opening. The division of administration, office of facility planning and control, shall develop and prescribe the necessary bid form for public works projects for public bid purposes and implement the provisions of this Section of the bid form in accordance with the Administrative Procedure Act.

(iii) The provisions of this Subparagraph shall not apply to bid forms of the Department of Transportation and Development pursuant to Title 48 of the Louisiana Revised Statutes of 1950.

H. Every public entity intending to advertise a public work for bids shall obtain an estimate of the probable construction costs of such public work from the project designer or the designer's third-party estimator prior to advertising such public work for bids. No public entity shall advertise a public work for bids unless the funds have been budgeted by the public entity for the project. The estimate of probable construction costs for the project shall be made available at the time of bid opening, either by posting such estimate electronically or announcing aloud such estimate at the bid opening. All other bid information shall be available upon request forty-eight hours following the opening of bids by the public entity.

prospective bidders at pre-bid conferences as a prerequisite to bid on a public works project, the date, place, and time of the pre-bid conference shall be stated in the first each advertisement notice. (ii) All prospective bidders in the orphan well plug and abandonment program within the Louisiana Department of Natural Resources shall be present at the beginning of the pre-bid conference and shall remain in attendance for the duration of the conference. Any prospective bidder who fails to attend the conference or remain for the duration shall be prohibited from submitting a bid for the project.

alternates. An alternate bid by any name is still an alternate. Alternates, if accepted, shall be accepted in the order in which they are listed on the bid form. Determination of the low bidder shall be on the basis of the sum of the base bid and any alternates accepted. However, the public entity shall reserve the right to accept alternates in any order which does not affect determination of the low bidder.

(f) K. Use of allowances in proposals bidding documents shall be restricted to minor items and shall be limited to hardware, face brick, landscaping, electric light fixtures, miscellaneous steel, tile, wallpaper and other exterior finishes, fixtures and furnishings, and carpeting. Allowances may not be utilized by the design professional or public entity to control the selection of a subcontractor or supplier.

(g)(i) L.(1) No construction manager or any other third-party consultant employed by a public entity may manage a construction project as a general contractor or act in the role of the general contractor to oversee, direct, or coordinate individual trade contractors on behalf of the public entity, or accept bids or itself bid on the public work or components of the public work with respect to which the manager or consultant is employed or contracted to manage or consult.

(ii) (2) The provisions of Item (i) Paragraph (1) of this Subparagraph Subsection shall not apply to the initial construction of a hospital, medical facility, or a combination of both, constructed by the Orleans Hospital Service District, but shall apply to the construction of any additions or modifications of a hospital, medical facility, or a combination of both, constructed by the Orleans Hospital Service District following the completion of the initial construction. The provisions of this Item Paragraph shall not relieve the Orleans Hospital Service District from complying with all other applicable provisions of this Title.

(iii) All construction contracts on public works shall be opened in a public meeting. All subcontractors bidding on the project shall be invited to the meeting and the general contractor shall list in the bid documents who the subcontractors will be on the project.

B. N. Those contracts let by any public entity for public works estimated to cost in excess of the contract limit shall be advertised and let by contract to the lowest responsible and responsive bidder. Public works which are estimated to cost less than the contract limit; may be undertaken by the public entity with its own employees.

 $\underbrace{\mathbf{C}.\ \mathbf{O}.}_{\bullet}(1)$ Except as provided by Paragraph (2) of this Subsection, the public entity may, through the issuance of an addendum, extend the bid period for up to thirty days, without the requirement of readvertising as provided by Subsection A of this Section.

(2)(a) If a public entity issues or causes to be issued on a public work exceeding the contract limit any addendum modifying plans and specifications the bidding documents within a period of seven days prior to the advertised time, or the time extended as provided for in this Section, for the opening of bids, excluding Saturdays, Sundays, and any other legal holidays, then the public entity shall transmit a copy of the addendum to all prime bidders who have requested bid bidding documents pursuant to Subparagraph (A)(1)(e) Subsection D of this **Section**. This shall be completed within twenty-four hours of the issuance of the addendum and may be delivered by either facsimile transmission, e-mail, other electronic means, or by hand, or by special delivery mail provided the prime bidder has supplied the facsimile transmission number or e-mail address to the public entity. In addition to the transmission required in this Paragraph, a copy of the addendum shall be sent by regular mail to all prime bidders who have requested bid documents pursuant to Subparagraph (A)(1)(e) of this Section. If the addendum cannot be transmitted by facsimile transmission, e-mail, or other electronic means, special delivery mail, or otherwise effected by hand delivery, the public entity shall postpone the bid opening by at least seven days.

(b) No public entity shall issue or cause to be issued any addenda modifying plans and specifications the bidding documents within a period of seventy-two

hours prior to the advertised time for the opening of bids, excluding Saturdays, Sundays, and any other legal holidays; however, if the necessity arises to issue an addendum modifying plans and specifications the bidding documents within the seventy-two-hour period prior to the advertised time for the opening of bids, then the opening of bids shall be extended for at least seven but not more than twenty-one working days, without the requirement of readvertising as provided by Subsection A of this Section. The addendum shall state the revised time and date for the opening of bids.

- $\underbrace{\mathbf{P.}}(1)(a)$ This Section shall not apply in cases of public emergency where such emergency has been certified to by the public entity and notice of such public emergency shall, within ten days thereof, be published in the official journal of the public entity proposing or declaring such public emergency.
- (b)(i) This Section shall not apply in the event that an extreme public emergency occurs.
- (ii) The president of the police jury, the president of the parish council, the mayor of the municipality, or a person designated to act on behalf of the governing authority of any other political subdivision, shall declare that an extreme emergency exists and shall cause such declaration to be published in the official journal within ten days or as soon as practicable thereafter.
- (c) This Section shall not apply with respect to repairs administered by the office of facility planning and control for addressing damage caused by Hurricanes Katrina and Rita. However, the office of facility planning and control shall not be allowed to negotiate such projects, but shall be required to publicly advertise such projects in the official journal of the locality of the project and in the state's official journal. Public bids may be taken in a minimum of ten days after advertisement of such projects. However, if there are no bidders for such projects, the office of facility planning and control may enter into competitive bidding negotiations with no fewer than two contractors.
 - (2) Limitations. (a) Every contract negotiated by a public entity under the

authority of this Subsection shall be supported by a written determination and findings by the public entity justifying use of the authority.

(b) When contract action under this authority is taken pursuant to telephone or other oral offers, a written confirmation of the accepted offer shall be obtained and made a part of the contract case file. In addition, whenever contract action is taken as authorized by this Subsection, a record shall be established by the public entity which shall contain, as a minimum, the following information with respect to each offer: a description of the work to be performed, the name and address of each offeror quoting, and the performance time and terms of each offer. If quotations lower than the accepted quotation are received, the reasons for their rejection shall be recorded and made a part of the contract case file. Such records shall be retained for a minimum of six years following the purchase or completion of the public work.

(3) Notwithstanding any other law to the contrary, for the project to enclose approximately five hundred feet of Corporation Canal that runs adjacent to the University Laboratory School on the Baton Rouge campus, which has been funded as an emergency through appropriation of funds by the Interim Emergency Board to Louisiana State University, East Baton Rouge Parish shall be authorized to assist in the project through use of its own employees to undertake such project.

E. Q. (1) A publicly owned utility, as recognized by the Louisiana Public Service Commission, may undertake a public works project, other than construction of a building, for the contract limit or less by either of the following methods:

- (a) (1) Entry into contracts with or without public bid.
- (b) (2) Use of the employees of the public entity owning the utility.

R.(2) Such public Public entities are herein prohibited from owning or operating manufacturing <u>facilities or</u> plants whereby such public entities <u>that</u> produce or manufacture construction materials. Any such facilities owned or operated prior to September 11, 1981, are excluded from these provisions.

 \underline{S} . (3) The provisions of this Section shall not prevent public entities from using their regular maintenance employees for labor necessary in the maintenance,

construction, or extension of publicly owned and operated electric public utilities. With respect to the construction or extension of all other public utilities, the provisions of this Section shall not prevent public entities from using their regular maintenance employees when the cost of the work per project does not exceed one hundred **fifty** thousand dollars, including labor and materials. All purchases of materials or supplies exceeding the sum **contract limit** provided for in Subsection A of this Section shall be let by public bid as provided in this Part.

F. T. (1) Whenever a public entity desires to purchase technical equipment, apparatus, machinery, materials, or supplies of a certain type and such purchases are clearly in the public interest, the public entity may specify a particular brand, make, or manufacturer in the specifications bidding documents let out for public bid as provided by this Part. If a particular brand, make, or manufacturer is specified, the model or catalog number also shall be specified.

(2) Wherever in specifications a public entity specifies the name of a certain brand, make, manufacturer, or uses a definite specification is utilized, the specifications bidding documents shall state clearly that they are used only to denote the quality standard of product desired and that they do not restrict bidders to the specific brand, make, manufacturer, or specification named; that they are used only to set forth and convey to prospective bidders the general style, type, character, and quality of product desired; and that equivalent products will shall be acceptable. It shall be the responsibility of the professionally employed architect or engineer to determine what is considered an equivalent product on any and all projects in which he has been legally employed to perform his professional services.

<u>U. G. Notwithstanding the provisions of Subsection M of this Section relative</u> to the financing of public works contracts by a contractor, public <u>Public</u> entities are hereby authorized to <u>may</u> enter into <u>professional</u> maintenance contracts for the repair and maintenance of <u>water storage tanks</u> <u>public facilities</u> owned, controlled, or operated by a public entity for a fixed annual fee. Such contracts shall extend for a duration of not less than two years. Any such contract entered into by a public entity

Except for construction or repair of roads and bridges and those contractors providing materials and supplies for construction or repair of roads and bridges, the division of administration may prequalify bidders for historic restoration projects funded by the state. The division of administration shall promulgate rules and regulations setting forth procedures for such prequalification. Historic restoration projects as used herein means repairs, renovations, or reconstruction of state-owned structures which are listed on the National Register of Historic Places or state-owned structures which are eligible for inclusion on the National Register and shall also include the renovation of the Louisiana State University Student Union on the Baton Rouge campus, which has been acknowledged as a Nationally Recognized Architectural Building that is recognized by the American Institute of Architects as having received an Honor Award from the Gulf States Region. After the division of administration has prequalified such bidders, only prequalified bidders may submit bids on those designed projects, and the contracts on those designated projects shall be awarded to the prequalified bidder submitting the lowest responsible and <u>responsive</u> bid, which bid for the renovation project of the Louisiana State University Student Union on the Baton Rouge campus only may be for overhead and profit or lump sum. Prior to the execution of the contract for the renovation project of the Louisiana State University Student Union on the Baton Rouge campus, it shall be submitted to the Joint Legislative Committee on the Budget for review and approval.

§2215. Time period for holding bids; issuance of work orders to commence work; exceptions

A. The state or any state agency upon receipt of bids for the undertaking of any public works contract A public entity shall act within thirty not later than forty-five calendar days of such receipt after the date of opening bids to award said such public works contract to the lowest responsible and responsive bidder or to reject all bids. A political subdivision upon receipt of bids for the undertaking of any public works contract shall act within forty-five calendar days of such receipt to award said contract to the lowest responsible bidder or reject all bids. However, the public entity and the lowest responsible and responsive bidder, by mutually written consent, may agree to extend the deadline for award by one or more extensions of thirty calendar days.

B. If the low bidder has timely provided all documents required by R.S. 38:2212, and no bid challenge has been submitted to the public entity, the low bidder and the public entity shall execute the contract not later than forty-five calendar days after the date of the public entity's award of the contract to the

2	C. The public entity shall issue to the contractor a notice to proceed with
3	the project or work order not later than thirty calendar day following the date
4	of execution of the contract by both parties, whichever execution date is later.
5	$\underline{\mathbf{D}}_{\boldsymbol{\cdot}}$ The provisions of this Section shall not be applicable when the contract
6	is to be financed by bonds which are required to be sold after receipt opening of bids
7	on the contract, or when the contract is to be financed in whole or in part by federal
8	or other funds which will not be readily available at the time bids are received
9	opened, or on contracts which require a poll of the legislature of Louisiana before
10	funds are available to fund the contract. In the event the If any time limit stipulated
11	herein in this Section is not applicable because of one of the exceptions outlined
12	above in this Subsection, this fact shall be mentioned in the specifications bidding
13	documents for the project and in the official advertisement for bids required in
14	accordance with R.S. 38:2212.
15	C. If the contractor has provided all necessary documents to the public entity
16	within ten days of the opening of bids and no bid challenge has been submitted to the
17	public entity, the contractor and public entity shall execute the contract not later than
18	forty-five days from the public entity's acceptance of the lowest responsible bid.
19	D. Upon the execution of the contract, the public entity, within thirty days
20	thereafter, shall issue to the contractor a notice to proceed with the project. However,
21	upon mutual consent by both parties, the notice to proceed may be extended.
22	E. These provisions shall not be subject to waiver.

24	§2225. Preference in letting contracts for public work
25	A. Repealed by Acts 1984, No. 894, §3, eff. July 1, 1987.
26	B. If a nonresident contractor bidding on public work in the state of Louisiana
27	is domiciled in a state that provides a percentage preference in favor of contractors

domiciled in that state over Louisiana resident contractors for the same type of work,

then every Louisiana resident contractor shall be granted the same preference over

contractors domiciled in the other state favoring contractors domiciled therein whenever the nonresident contractor bids on public work in Louisiana.

E. B. Any local law, either by legislative act or otherwise, ordinance, or executive order enacted prior to the effective date of this Act, or enacted hereinafter in conflict with this Section, or granting any local contractor or subcontractor preference over other Louisiana resident contractors shall be contrary to the provision of this Section.

C. The Department of Transportation and Development and the office of facility planning and control within the division of administration shall keep on file a list of all states with a bid preference.

D. The provisions and requirements of this Section shall not be waived by any public entity.

§2241.1. Acceptance of governing authority

A. Whenever the When any public entity enters into a written contract for the construction, alteration, or repair of any public works, in accordance with the provisions of R.S. 38:2241, the official representative of the public entity shall have recorded in the office of the recorder of mortgages, in the parish where the work has been done, an acceptance of said such work or of any specified area thereof of such work, upon not later than thirty calendar day after the date of completion or substantial completion of the such work. Those public entities which do not file said recordation, shall require the contractor to have recorded in the office of the recorder of mortgages, in the parish where the work has been done, an acceptance of said work or of any specified area thereof upon substantial completion of the work. This acceptance shall not be executed except upon the recommendation of the architect or engineer of the public entity whose recommendation may be made upon completion or substantial completion of said public works within thirty days of completion of the project.

B. "Substantial completion" is defined for the purpose of this Chapter, as the

finishing of construction, in accordance with the contract documents as modified by any change orders agreed to by the parties, to the extent that the public entity can use or occupy the public works or use or occupy the specified area of the public works for the use for which it was intended. The recordation of an acceptance in accordance with the provisions of this Section upon substantial completion shall be effective as an acceptance for all purposes under this Chapter.

C. Any public entity that does not file for recordation an acceptance of public work, shall require the contractor to have recorded in the office of the recorder of mortgages, in the parish where the work has been done, an acceptance of such work or of any specified area of such work, not later than forty-five calendar days after the date of completion or substantial completion of the work. This acceptance shall not be executed except upon the recommendation of the architect or engineer of the public entity whose recommendation may be made not later than thirty calendar days after the date of completion or substantial completion of such public work.

Present law (R.S. 38:2211) defines terms used in the public bid law.

<u>Proposed law</u> retains <u>present law</u> definition of the terms "Bidding documents", "Change order outside the scope of the contract", "Change order within the scope of the contract", "Contractor", "Emergency", "Licensed design professional", "Louisiana resident contractor", and "Negotiate"; adds definitions for the terms "Alternate" and "Probable construction costs"; amends the definition of "Change order"; and renumbers Paragraphs (1) through (9) of Subsection A.

<u>Proposed law</u> adds definition of "Alternate" to mean an item on the bid form that may increase or decrease either the quantity of work or change the type of work, materials, or equipment specified in the bidding documents, or both.

<u>Proposed law</u> amends definition of "Change order" to mean any contract modification that includes an alteration, deviation, addition, or omission as to a preexisting public work contract, which is mutually agreed upon by the contractor and public entity and authorizes an adjustment in the contract price, contract time, or an addition, deletion, or revision of work.

<u>Proposed law</u> adds definition of "Probable construction costs" to mean the estimate for the cost of the project as designed that is determined by the public entity, the designer, or the

SLS 14RS-336

designer's third-party estimator.

<u>Present law</u> (R.S. 38:2212) requires that public work, including labor and materials, exceeding \$150,000 undertaken by a public entity to be advertised and let by written contract to the lowest responsible bidder who bids according to the contract, plans, and specifications.

Proposed law requires contract be let to the lowest responsible and responsive bidder.

<u>Proposed law</u> substitutes the term "bidding documents" for the phrase "contract, plans, and specifications" wherever it occurs in <u>present law</u>.

<u>Present law</u> requires the office of facility planning and control to develop a bid form necessary to obtain information and to implement use of such form to bid for public works projects through promulgation of rules and regulations in accord with the Administrative Procedure Act. Requires the bid form request only information necessary to determine the low bidder and certain listed information: Bid Security or Bid Bond, Acknowledgment of Addenda, Base Bid, Alternates, Signature of Bidder, Name, Title, and Address of Bidder, Name of Firm or Joint Venture, Corporate Resolution, and Louisiana Contractors License Number, and on public works projects that use unit prices, a section to set forth such prices, provided such unit prices shall not be used to construct building projects, unless the unit is incorporated into the base bid.

<u>Proposed law</u> requires all public entities to use the Louisiana Uniform Bid Form promulgated by the office.

<u>Present law</u> requires the low bidder to furnish within 10 days of bid opening other documentation and information required including but not limited to the low bidder's attestations pursuant to R.S. 38:2212.10 (E-verify) and 2227 (certain criminal convictions).

<u>Proposed law</u> retains <u>present law</u> and authorizes the apparent low bidder to submit such information and documentation any time prior to expiration of the 10 day period.

<u>Proposed law</u> requires a public entity to declare non-responsive an apparent low bidder who fails to submit information required by bidding documents in 10 days; authorizes a public entity to award the bid to the next lowest bidder and to afford such bidder 10 days to furnish required information; and authorizes a public entity to continue such process until the public entity either determines the low bidder or rejects all bids.

<u>Proposed law</u> retains <u>present law</u> that requires the public entity shall not waive or alter the 10 day period except for the governing authority of any publicly owned commercial aviation airport, the Sewerage and Water Board of New Orleans, the Regional Transit Authority, and all agencies of the City of New Orleans, including but not limited to the New Orleans Aviation Board shall require information and documentation from the two lowest bidders three days after bid opening.

<u>Proposed law</u> retains <u>present law</u> that provides that, notwithstanding any other provision of law to the contrary, all bidders shall submit all bid forms required by statute or by the La. Administrative Code to the governing authority of East Baton Rouge Parish prior to the opening of all bids relative to a contract for public works.

<u>Proposed law</u> retains <u>present law</u> that excepts the Department of Transportation and Development from its requirements.

<u>Proposed law</u> reorganizes but retains <u>present law</u> that requires a bidder on a public works project conducted by the New Orleans Sewerage and Water Board to include Acknowledgment of Addenda to the bid form and to attach the addenda if pricing information is contained therein and the addenda specifies its attachment.

SLS 14RS-336

<u>Present law</u> requires a bidder who submits a bid to the division of administration or the state of Louisiana to submit evidence of authority of the person who signs the bid for public works.

<u>Proposed</u> law expands <u>present law</u> to apply to any public entity. Adds that such evidence shall be written.

<u>Present law</u> requires delivery of each bid by the bidder or his agent either by hand delivery, electronic delivery, or registered or certified mail with return receipt requested, except that registered or certified mail with return receipt requested delivery do not apply to municipal and parochial governing authorities. Requires written receipt of hand delivered bids to the deliverer. Prohibits a public entity from accepting a bid on days recognized as holidays by the U.S. Postal Service.

<u>Proposed law</u> removes exception applicable to municipal and parochial governing authorities in <u>present law</u> for delivery of bids by registered and certified mail.

<u>Proposed law</u> retains but moves <u>present law</u> [R.S. 38:2212(A)(1)(c)(ii)] to <u>proposed law</u> [R.S. 38:2225(C)] that requires the Department of Transportation and the office of facility planning and control to keep on file a list of all states with a bid preference.

<u>Proposed law</u> provides that for the purpose of interpretation of the base bid total, written words govern if a conflict exists between words and numerals. Provides that extension of the number of units multiplied by the price per unit governs if a discrepancy exists between the sum of the extended prices and the base bid total on public works projects that require unit price bids.

<u>Present law</u> defines the term "contract limit" as equal to the sum of \$150,000, including labor, materials, and equipment as per the rates in the latest edition of the Associated Equipments Dealers Rate Book and administrative overhead not to exceed 15% except that the contract limit is \$50,0000 per project for the Department of Public Safety and Corrections (DPSC) when it intends to use inmates as labor for projects on the grounds of prisons and correctional institutions for the calendar year 1982, and provides that such contract limit increases for each succeeding calendar year, increases such contract limit by a factor equal to 3% per year for each of the next 10 calendar years (1983-1993).

<u>Proposed law</u> increases the contract limit for such DPSC projects to \$75,000 and removes provision for 3% per year increases.

<u>Proposed law</u> deletes <u>present law</u> that authorizes the Bossier Parish Police Jury to undertake a public works project with its own employees; sets its contract limit at \$130,000; authorizes the police jury to adjust the contract limit annually by an amount not to exceed the annual percentage increase in the Consumer Price Index in the preceding year; and requires the police jury to publish the new contract limit for public works contracts in its official journal in February of each year.

<u>Proposed law</u> retains <u>present law</u> that provides an annual limit of \$1,000,000, including labor, materials, and equipment, per the latest edition of the Associated Equipment Distributors Rental Rate Book, and administrative overhead not to exceed 15%, for public work, which is not publicly bid, to restore or rehabilitate a non-federally maintained levee, including mitigation on public lands owned by the state or a political subdivision provided such work is undertaken by the public entity with its own resources and employees, or the resources and employees of another public entity through a cooperative endeavor or other agreement. Provides that these provisions expire December 31, 2018.

<u>Proposed law</u> retain <u>present law</u> that requires public entities to furnish at least one complete set of bid documents to prime bidders who request bid documents and who are properly licensed by the Louisiana State Licensing Board for Contractors. Authorizes public entities

to require a deposit for bid documents but requires the total deposit, including handling fees and other costs, not to exceed twice the actual cost of reproduction. Provides that a deposit on the first set of documents is fully refundable upon return of the documents no later than 10 days after receipt of bids. Provides for refund of deposit less actual reproduction cost on other sets of documents upon return no later than 10 days after receipt of bids. Authorizes public entities that itself prepares and distributes contract documents to charge a fee not to exceed its actual reproduction cost in lieu of a deposit.

<u>Proposed law</u> changes <u>present law</u> to authorize either electronic or paper bidding documents.

<u>Proposed law</u> requires prime bidders to obtain an original set of bidding documents from the public entity, the design professional who prepared such documents, or a third party designated by such design professional. Requires distribution of bidding documents as the designer of record chooses if an electronic bid submittal is used. Requires the public entity or its design professional to maintain a list of all prime bidders for addenda distribution.

<u>Proposed law</u> deletes <u>present law</u> that authorized the Sewerage and Water Board of New Orleans to charge a fee, in lieu of a deposit, for paper documents when it prepares and distributes electronic contract documents itself.

<u>Proposed law</u> retains <u>present law</u> that requires public entities to provide contractors a uniform and secure electronic interactive system for submittal of bids as an additional bidding option. Requires public entities that provide such system to follow the standards for receipt of electronic bids adopted by the office of the governor, division of administration, and the office of information technology as provided in LAC 4:XV.701.

<u>Proposed law</u> deletes provision in <u>present law</u> requiring acceptance of electronic bids for all purchases requiring competitive bidding.

<u>Proposed law</u> retains <u>present law</u> that exempts public entities currently without available high speed Internet access from providing for electronic bidding until such time such access becomes available.

<u>Proposed law</u> retains <u>present law</u> that exempts any parish with a police jury form of government and a population less than 20,000 from electronic bidding.

<u>Proposed law</u> retains <u>present law</u> that exempts any other public entity from electronic bidding without securing and expending additional funding.

<u>Proposed law</u> retains <u>present law</u> that gives public entities the option to require submittal of electronic bids on any competitive bid let out for public bid.

<u>Proposed law</u> retains <u>present law</u> that requires public entities to include all bidding documents on the electronic website accepting electronic bids.

<u>Proposed law</u> retains <u>present law</u> that authorizes a bid specification to contemplate a fixed escalation or de-escalation according to the U.S. Bureau of Labor Statistic's Consumer Price Index or the Wholesale Price Index. Provides that bids based on specifications that are subject to such escalation index are legal and valid. <u>Proposed law</u> adds that such escalation index is valid for any item of a public work at the public entity's discretion.

<u>Proposed law</u> retains <u>present law</u> that requires the advertisement for public work to be published once a week for three different weeks in a newspaper in the locality, requires the first advertisement to appear at least 25 days before opening of bids, and authorizes advertisement by electronic media available to the general public in addition to such newspaper advertisement.

Proposed law retains present law that prohibits the first publication of the advertisement on

SLS 14RS-336

a Saturday, Sunday, or legal holiday, and requires all bidding documents to be available on the day of first advertisement and until 24 hours before the bid opening date.

<u>Proposed law</u> revises <u>present law</u> that prohibits advertisement of the project if the designer's estimate is more than the funds budgeted by the public entity for the projects and requires the designer's estimate to be read aloud upon opening bids. <u>Proposed law</u> requires the public entity to obtain an estimate of probable construction costs from its designer or the designer's third party estimator prior to advertisement for bids. Prohibits advertisement of a public work unless the funds have been budgeted for the project by the public entity. Requires the estimate of probable construction to be made available either by electronic posting or by announcing it aloud at bid opening. Requires all bid information to be available upon request 48 hours following opening of bids.

<u>Proposed law</u> retains <u>present law</u> that requires the date, place, and time of a required pre-bid conference to be advertised in the advertisement notice. <u>Proposed law</u> requires pre-bid conference information to be contained in all three advertisements for bid.

<u>Proposed law</u> requires all prospective bidders to be present at the beginning of the pre-bid conference and to remain in attendance for the duration of the conference and prohibits any prospective bidder who fails to attend the conference or remain for the duration from submitting a bid for the project. <u>Proposed law</u> removes limited application to the orphan well plug and abandonment program within the Louisiana Department of Natural Resources.

<u>Proposed law</u> retains <u>present law</u> that prohibits no more than three alternates in bidding documents and requires acceptance of alternates in the order listed on the bid form. Requires determination of the low bidder on the basis of the sum of the base bid and any alternates accepted but gives the public entity the right to accept alternates in any order that does affect determination of the low bidder.

<u>Proposed law</u> retains <u>present law</u> that restricts the use of allowances to minor items and limits them to hardware, face brick, landscaping, electric light fixtures, and carpeting. Adds miscellaneous steel, tile, wallpaper and other exterior finishes, fixtures and furnishings to list of allowances. Prohibits use of allowances to control selection of a subcontractor or supplier.

<u>Proposed law</u> retains <u>present law</u> that prohibits a construction manager or any other third-party consultant employed by a public entity to manage a construction project as a general contractor or to act in the role of the general contractor to oversee, direct, or coordinate individual trade contractors on behalf of the public entity, or to accept bids or itself bid on the public work or components of the public work with respect to which the manager or consultant is employed or contracted to manage or consult. <u>Proposed law</u> retains exception in <u>present law</u> for initial construction of a hospital, medical facility, or both, constructed by the Orleans Hospital Service District.

<u>Proposed law</u> deletes <u>present law</u> that requires construction contracts to be opened in a public meeting, that all subcontractors bidding the project be invited to the meeting, and that the general contractor list subcontractors in the bid documents.

<u>Proposed law</u> retains <u>present law</u> that requires public works contracts to contain provisions for "change orders within the scope" of the contract and for change order to be in writing.

<u>Proposed law</u> provides option for change orders in electronic format and requires execution of the change order by the contractor and the public entity or its design representative.

<u>Proposed law</u> requires the public entity to pay the contractor for work performed by change order not later than 45 days after completion of such work.

Proposed law retains present law that requires any "change order outside the scope" of the

contract in excess of the contract limit to be let for public bid as provided by law.

<u>Proposed law</u> retains <u>present law</u> that authorizes a public entity to either negotiate or let for public bid a change order less than the contract limit. Provides for negotiated change orders to be fully documented and itemized as to costs. Prohibits deviation in unit prices contained in an initial contract in a negotiated change order.

<u>Proposed law</u> retains <u>present law</u> that requires public works estimated to cost in excess of \$150,000 to be advertised and let by contract to the lowest responsible bidder. <u>Proposed law</u> requires public works to be let to the lowest responsible and responsive bidder.

<u>Proposed law</u> retains <u>present law</u> that authorizes public works estimated to cost less than \$150,000 to be undertaken by the public entity with its own employees.

<u>Proposed law</u> retains <u>present law</u> that authorizes a public entity to issue a bid addendum and to extend the bid period for up to 30 days without readvertising. Requires completion of transmittal of a copy of any addendum issued within 24 hours of its issuance and delivery by either facsimile transmission, email, other electronic means, or by hand provided the prime bidder has supplied the facsimile transmission number or email address to the public entity by the public entity to all prime bidders who have requested bidding documents. Requires postponement of the bid opening by at least seven days if an addendum cannot be transmitted by facsimile transmission, email, or other electronic means, or otherwise effected by hand delivery.

Proposed law adds authority to issue addendum by special delivery mail.

<u>Proposed law</u> retains <u>present law</u> that prohibits issuance of any addenda modifying the bidding document within 72 hours prior to the advertised time for the opening of bids, excluding Saturdays, Sundays, and any other legal holidays, but authorizes issuance of an addendum due to necessity with such period and requires extension of the time to open bids for at least seven days but not more than 21 working days without the requirement to readvertise. Requires the addendum to state the revised time and date to open bids.

<u>Proposed law</u> retains <u>present law</u> that provides competitive bidding requirements do not apply in cases of public emergency where the public entity certifies such emergency and publishes notice of such public emergency within 10 days in its official journal or in cases of extreme public emergency. Requires the president of the police jury, the president of the parish council, the mayor of the municipality, or a person to act on behalf of the governing authority of any other political subdivision to declare the existence of an extreme public emergency and to publish same in the official journal within 10 days or as soon as practicable thereafter.

Proposed law retains present law that authorizes the office of facility planning and control to address damage caused by hurricanes Katrina and Rita by public advertisement in the official journal of the locality of the project and the state's official journal and to take public bids in a minimum of 10 days after advertisement. Prohibits negotiation of such projects except when no bids are received. Requires competitive bidding negotiations with no fewer than two contractors. Requires written determination and findings to support decision for every negotiated contract under present law. Requires the public entity to take telephone or other oral offers, to obtain written confirmation of an accepted offer and to include such confirmation in the contract case file. Requires the public entity to establish a record that contains, as a minimum, the following information for each offer: a description of the work to be performed, the name and address of each offeror quoting, and the performance time and terms of each offer. Requires to record and include in the contract file the rejection of any quotations that are lower than the accepted quotation. Requires retention of such records for a minimum of six years after the purchase or completion of the public work.

Proposed law deletes present law that authorized East Baton Rouge Parish to assist

Louisiana State University through use of the parish's own employees to undertake a project to enclose approximately 500 feet of Corporation Canal that runs adjacent to the University Laboratory School on the Baton Rouge campus, which project has been funded as an emergency through appropriation of funds by the Interim Emergency Board to Louisiana State University.

<u>Proposed law</u> retains <u>present law</u> that authorizes a publicly owned utility to undertake a public works project, other than construction of a building, for the contract limit (\$150,000) or less by either of the following methods: entry into contracts with or without public bid; use of the employees of the public entity owning the utility. <u>Proposed law</u> provides that such publicly owned utility be recognized by the Louisiana Public Service Commission.

<u>Proposed law</u> retains <u>present law</u> that prohibits ownership or operation of a manufacturing plant for construction materials by a public entity. <u>Proposed law</u> adds manufacturing facilities and production of construction materials to such prohibition. <u>Proposed law</u> deletes provisions that excluded any such facilities owned or operated prior to September 11, 1981, from such prohibition.

<u>Proposed law</u> retains <u>present law</u> that authorizes a public entity to use its regular maintenance employees for labor necessary in the maintenance, construction, or extension of publicly owned and operated electric public utilities. Authorizes public entities to use their regular maintenance employees to construct or extend all other public utilities when the cost of the work per project does not exceed \$100,000, including labor and materials. <u>Proposed law</u> increases the contract limit for such projects to \$150,000.

<u>Proposed law</u> retains <u>present law</u> that requires all purchases of materials or supplies exceeding the contract limit (\$150,000) to be let by public bid as provided by law.

<u>Proposed law</u> retains <u>present law</u> that authorizes a public entity to specify a particular brand, make, or manufacturer for a project let to public bid and requires specification to include the model or catalog number.

<u>Proposed law</u> retains <u>present law</u> that requires bidding documents to state clearly that the specification of the name of a certain brand, make, manufacturer, or definite specification is used only to denote the quality standard of product desired, to convey to prospective bidders the general style, type, character, and quality of product desired, does not restrict bidders to the specific brand, make, manufacturer, or specification named, and that equivalent products are acceptable. Requires a professionally employed architect or engineer to determine what is considered an equivalent product on any and all projects in which he has been legally employed to perform his professional services.

<u>Proposed law</u> retains <u>present law</u> that authorizes a public entity to enter into maintenance contracts for the repair and maintenance of water storage tanks owned, controlled, or operated by a public entity for a fixed annual fee provided such contracts extend for a duration of not less than two years, include a nonappropriation clause, and are not considered a debt of the public entity. <u>Proposed law</u> changes <u>present law</u> from water storage tanks to public facilities. <u>Proposed law</u> retains <u>present law</u> that provides that such maintenance contracts are not considered a public works contract.

<u>Proposed law</u> retains <u>present law</u> that prohibits division or separation of any public work project into smaller projects to avoid the requirement that public work be advertised and let by contract to the lowest responsible bidder. <u>Proposed law</u> changes phrase lowest responsible bidder to lowest responsible and responsive bidder.

<u>Proposed law</u> retains <u>present law</u> that makes it inapplicable to labor necessary for the maintenance of public works built and completed.

Proposed law retains present law that makes it inapplicable to volunteer citizen labor used

SLS 14RS-336

for the construction of a project funded by the Louisiana Community Development Block Grant Louisiana Small Town Environment Program and provides that the value of donated volunteer service shall not be used as a component of any bid if such public work is bid to determine the lowest responsible bid. <u>Proposed law</u> changes phrase lowest responsible bidder to lowest responsible and responsive bidder.

<u>Proposed law</u> retains <u>present law</u> that requires a public entity to give written notice that includes all reasons and an opportunity for a hearing to any bidder who it proposes to disqualify on the grounds that such bidder is not a responsible bidder prior to such disqualification. <u>Proposed law</u> requires the informal hearing to be conducted prior to award of the public work. <u>Proposed law</u> further provides that such hearing is a condition precedent to any action by the bidder adverse to the public entity, its representatives, employees, and designers and shall be conducted before the highest ranking official of the public entity or his designee who has no previous involvement with the proposed disqualification. <u>Proposed law</u> prohibits award of the contract for the public work by the public entity prior to the expiration of at least five working days after the date of issuance of the decision by the hearing official and requires the hearing official to issue a ruling in writing and deliver same to the affected bidder in the manner agreed upon by such official and the bidder.

<u>Proposed law</u> retains <u>present law</u> that prohibits a public entity from entering into a contract for the purpose of public works with a contractor who then finances the project. Provides that under no circumstances shall the agreement of a contractor to finance a public works project be used in any way to avoid the requirement that public work be advertised and let by contract to the lowest responsible bidder as provided in this Section.

<u>Proposed law</u> deletes provisions of <u>present law</u> that authorized a public entity to include bid selection provisions in bid documents relative to participation in a mentor-protégé program.

<u>Proposed law</u> retains <u>present law</u> that provides that it shall not apply to purchases of materials and supplies by contractors awarded public works contracts by a public entity; or to subcontractors of such contractors, who have been appointed or designated agents for the purchase of materials and supplies to be incorporated into a public work pursuant to a contract properly bid in accordance with this Chapter when acting pursuant to said appointment or designation. <u>Proposed law</u> changes phrase lowest responsible bidder to lowest responsible and responsive bidder.

<u>Present law</u> (R.S. 38:2212.5) authorizes the division of administration to prequalify bidders for historic restoration projects funded by the state except for construction or repair of roads and bridges and contractors providing materials and supplies for such construction. Requires the division to promulgate rules and regulations. Defines historic restoration projects to means repairs, renovations, or reconstruction of state-owned structures included or eligible for inclusion on the National Register of Historic Places. Further provides for renovation of the Louisiana State University Student Union on the Baton Rouge campus. Requires that only prequalified bidders may submit bids on designated historic projects. Requires award of contracts for historic projects to the prequalified bidder submitting the lowest responsible bid. Requires contract for renovation of the LSU Student Union may be for overhead and profit or lump sum. Requires submission of such contract to the Joint Legislative Committee on the Budget for review and approval.

<u>Proposed law</u> requires award of a historic restoration project to the prequalified bidder who submits the lowest responsible and responsive bid.

<u>Proposed law</u> removes provisions in <u>present law</u> applicable to the LSU Student Union.

<u>Present law</u> (R.S. 38:2212.10) provides, generally, that a private employer shall not bid on or otherwise contract with a public entity for a contract for public work unless the private employer verifies in a sworn affidavit attesting to both of the following:

(1) The private employer is registered and participates in a status verification system to verify that all employees are legal citizens of the U.S. or are legal aliens.

(2) The private employer must continue, during the term of the contract, to utilize a status verification system to verify the legal status of all new employees.

<u>Proposed law</u> changes <u>present law</u> to require that private employers verify new employees.

<u>Present law</u> provides that its provisions shall no longer apply if the status verification system expires and extensions are no longer approved by the federal government.

<u>Proposed law</u> retains <u>present law</u> and requires the executive director of the Louisiana Workforce Commission to provide written notice to Louisiana State Law Institute if the status verification expires and is not extended.

Present law (R.S. 38:2215) provides for the time period to hold bids and to issue a work order to commence work on a public works project. Requires the state or any state agency upon receipt of bids to award a public works contract to the lowest responsible bidder or to reject all bids within 30 calendar days of receipt of bids. Requires a political subdivision to award a contract within 45 calendar days of receipt of bids. Requires the contractor and the public entity to execute the public works contract not later than 45 days from the public entity's acceptance of the lowest responsible bid if the low bidder has timely provided all necessary documents within 10 days of the opening of bids and no bid challenge has been submitted to the public entity. Requires issuance of a notice to proceed within 30 days of execution of the contract. Authorizes an extension of time to issue the notice to proceed upon mutual consent of both parties. Provides that these provisions do not apply to contracts financed by bonds that must be sold after opening of bids, to contracts financed in whole or in part by federal or other funds not readily available at the time of bid opening, or to contracts that require a poll of the legislature before funds are available. Requires such time exceptions to be mentioned in the bidding documents and the advertisement for bids.

<u>Proposed law</u> changes <u>present law</u> to uniformly require any public entity, which includes the state, a state agency, and a political subdivision, to award a public works contract to the lowest responsible and responsive bidder or to reject all bids within 45 calendar days of the date of bid opening.

<u>Present law</u> (R.S. 38:2225) requires granting the same percentage preference the state of domicile of a nonresident contractor provides to a Louisiana resident contractor over such nonresident contractor bidding on a Louisiana public work. Prohibits local preference laws. Prohibits granting a preference to any local contractor or subcontractor over other Louisiana resident contractors. Prohibits waiver of provisions by any public entity.

<u>Proposed law</u> retains but relocates <u>present law</u> [R.S. 38:2212(A)(1)(c)(ii)] that requires the Department of Transportation and the office of facility planning and control to keep on file a list of all states with a bid preference.

Present law (R.S. 38:2241.1) requires a public entity to record acceptance of a written contract for public works in the office of the recorder of mortgages in the parish where the work has been done upon substantial completion. Authorizes a public entity that does not record such acceptance to require the contractor to record such acceptance upon written recommendation of the public entity's architect or engineer. Authorizes the architect or engineer to make such recommendation within 30 days of completion of the project. Defines "substantial completion" to mean the finishing of construction, in accordance with the contract documents as modified by any change orders agreed to by the parties, when the public entity can use or occupy the public works or use or occupy the specified area of the public works for the use for which it was intended. Provides that such recordation of acceptance upon substantial completion shall be effective as an acceptance for all purposes under law.

<u>Proposed law</u> requires the public entity to record project acceptance not later than 30 days after completion or substantial completion of the project. Requires the contractor to file acceptance within 45 calendar days after completion or substantial completion of the project for those public entities that do not record an acceptance only upon written recommendation of the architect or engineer of the public entity made not later than 30 calendar days after the date of completion or substantial completion of the project.

Effective August 1, 2014.
