**EXPENDITURE EXPLANATION**

The proposed legislation may result in an indeterminable increase in state general fund expenditures if a defendant is convicted of aggravated flight from an officer. The exact fiscal impact of the passage of this legislation is indeterminable, since it is not known how many individuals will be sentenced to a longer term as provided for in proposed law. However, any offender sentenced to the custody of the Department of Public Safety and Corrections increases expenditures by \$24.39 per day per offender in local facilities. To the extent that offenders are sentenced and housed in state facilities, the cost per day per offender is \$52.51.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
