**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

**REVENUE EXPLANATION**

The proposed legislation will result in an increase in local fund revenue as a result of extending filing fees (\$25 fee) associated with the judicial building fund. The proposed legislation extends the date for the Orleans Judicial District Court Building Commission to award a construction bid for a new facility which will be extended by 1 year from August 15, 2014 to August 15, 2015.

The \$25 filing fee will be collected until bids are let for construction. Under current law, once bids are let for construction, the \$25 fee will no longer be collected. However, another filing fee will be collected in the amount of \$30.

The balance of the fund as a of 12/31/13 was \$3,275,529, with annual deposits as follows: \$291,077 in 2011 (only three months were collected), \$1,462,590 in 2012, and \$1,521,862 in 2013. To extent the fee is extended for an additional year and collections remain static, the fund will collect approximately \$1.49 M (\$1,462,590 + \$1,521,862 / 2 full collection years).
