DIGEST

Amedee (SB 621)

Proposed law provides the Department of Health and Hospitals shall reimburse the providers of direct service workers a per diem amount in addition to fees for services provided.

Proposed law provides the per diem amount as provided for in the proposed law shall not be less than \$16.40 per day for recipients requiring medication administration and not less than \$11.98 per day for other recipients.

Effective August 1, 2014.

(Amends R.S. 37:1031(F))
