**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure. According to the Reporter for the Law Institute Security Devices Committee, this bill eliminates overlap of law contained in Chapter 9 of the Civil Code pertaining to pledges (collateral). In addition, the bill also provides that pledges of leases will not be recorded in the conveyance records but will now be recorded in the mortgage records. The proposed changes contained within this bill are recommendations from the LA Law Institute.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
