EXPENDITURE EXPLANATION

This bill may increase local fund expenditures of the 19th Judicial District Attorney's Office.

An official with the 19th Judicial District Attorney's Office indicated that this bill may increase expenditures as program costs are incurred. The program would be administered using existing facilities and staff and there would be no additional cost to hire personnel or obtain additional facilities. We are assuming that expenditures will, at the least, be similar to available revenues as presented in this fiscal note.

The bill also provides that the implementation of this program may be subject to appropriation of funds by the Legislature.

REVENUE EXPLANATION
