DIGEST

Donahue (SB 341)

Present law provides for the creation of the Louisiana Standards for Water Works Construction, Operation, and Maintenance Committee within DHH to develop standards to be placed in the state Sanitary Code for water works construction, operation, and maintenance. Further provides that no later than August 1, 2014, the office of public health shall promulgate rules and regulations pursuant to the Administrative Procedure Act implementing the standards developed by the committee. Further provides for the membership of the committee, and provides for the calling of the first meeting and for quorum requirements. Further provides for compliance with the Open Meetings Law and for location of meetings of the committee. Further provides for administrative support.

Proposed law amends present law to provide for the creation of the Louisiana Standards for Water Works Construction, Operation, and Maintenance Committee within DHH to develop and approve rules and regulations to repeal and replace LAC 51:XII and to revise such rules and regulations. Such rules and regulations shall include but not limited to rules and regulations for water works constructions, operation, and maintenance and the list of significant deficiencies contemplated in present law. The office of public health shall promulgate rules and regulations pursuant to the Administrative Procedure Act repealing and replacing LAC 51:XII implementing the standards developed by the committee.

Present law provides the rules and regulations for the Louisiana Standards for Water Works Construction, Operation, and Maintenance shall not be promulgated until the proposed rules and regulations or changes thereto are approved by DHH and approved by a majority vote of the committee. Proposed law deletes this provision.

Proposed law makes technical changes to present law.

Effective upon signature of the governor or lapse of time for gubernatorial action.
