EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this bill.

An official with the Livingston Parish Assessor's Office indicated that this bill would not impact assessor expenditures related to retiree insurance coverage for current retirees and employees/assessor as this bill does not change the eligibility requirements for these individuals. However, this official indicated that this bill may decrease assessor expenditures for retiree insurance coverage for future assessors/employees (those elected, appointed, or hired on or after August 1, 2014) due to more restrictive service requirements.
