17 which the offender is required to register pursuant to the provisions of this Chapter  
18 or from the date of the offender's latest release from incarceration for a felony  
19 offense, whichever is later, the following procedures shall apply:

1           (a) The office of state police and the sheriff of each parish in which the

7           When posting the prospective registration and notification period end date, the  
8           Department of Justice shall include any details relied upon at the time to calculate  
9           the registration and notification period end date. If at any time after the  
10           determination of the registration and notification period end date the offender's  
11           criminal history or registration history reflects actions or inaction that, pursuant to  
12           the provisions of this Chapter, requires the running of the registration period to begin  
13           anew or to be suspended, the registration and notification period end date shall be  
14           revised by the Department of Justice accordingly.

15           (c) Within thirty days from the date on which the Department of Justice posts

17           file in the Sex Offender and Child Predator Registry, the Department of Justice or  
18           its authorized agent shall give the offender written notice of the prospective  
19           registration and notification period end date which shall inform the offender that the  
20           registration and notification period end date shall be revised if the offender's criminal  
21           history or registration history subsequently reflects actions or inaction that, pursuant  
22           to the provisions of this Chapter, requires the end date to be recalculated. The  
23           written notice shall also inform the offender of his right to seek review of the  
24           Department of Justice's determination as provided in Subsections D and F of this  
25           Section. The date on which the letter is sent notifying the offender of his registration  
26           and notification period end date shall be entered by the Department of Justice or its  
27           authorized agent in the offender's registry profile and included in the notification of  
28           registration obligations which shall be signed by the offender during the next in-

2 of R.S. 15:542.1.1.

3 (2) The provisions of this Subsection shall not apply to any of the following:

4 (a) Any person convicted of a sexual offense against a victim who is a minor  
5 as defined by R.S. 15:541.

6 (b) Any person convicted of an aggravated offense as defined by R.S.

8 (c) Any person who has been convicted of more than one offense that  
9 requires registration pursuant to the provisions of this Chapter.

10 B.(1) For an offender who is required to register pursuant to the provisions  
11 of this Chapter for a conviction of a sexual offense against a victim who is a minor  
12 as defined by R.S. 15:541, at least twenty-four years after the date of conviction for  
13 which the offender is required to register pursuant to the provisions of this Chapter  
14 or the date of the offender's latest release from incarceration for a felony offense, the

18 in the Sex Offender and Child Predator Registry.

19 (b) The Department of Justice shall review the offender's criminal history  
20 and registration history and post a prospective registration and notification period  
21 end date to the offender's file in the Sex Offender and Child Predator Registry.  
22 When posting the prospective registration and notification period end date, the  
23 Department of Justice shall include any details relied upon at the time to calculate  
24 the registration and notification period end date. If at any time after the  
25 determination of the registration and notification period end date the offender's  
26 criminal history or registration history reflects actions or inaction that, pursuant to  
27 the provisions of this Chapter, requires the running of the registration period to begin  
28 anew or to be suspended, the registration and notification period end date shall be  
29 revised by the Department of Justice accordingly.

1           (c) Within thirty days from the date on which the Department of Justice posts

7           history or registration history subsequently reflects actions or inaction that, pursuant  
8           to the provisions of this Chapter, requires the end date to be recalculated. The  
9           written notice shall also inform the offender of his right to seek review of the  
10           Department of Justice's determination as provided in Subsections D and F of this  
11           Section. The date on which the letter is sent notifying the offender of his registration  
12           and notification period end date shall be entered by the Department of Justice or its  
13           authorized agent in the offender's registry profile and included in the notification of  
14           registration obligations which shall be signed by the offender during the next in-  
15           person period renewal of registration for the offender as required by the provisions  
16           of R.S. 15:542.1.1.

17           C. The registration and notification period end date, calculated and  
18           maintained by the Department of Justice pursuant to the provisions of Subsections  
19           A and B of this Section, shall be set in accordance with the provisions of this Chapter  
20           and shall be binding for purposes of enforcement of the registration and notification  
21           provisions of this Chapter unless overturned by the court of competent jurisdiction  
22           pursuant to R.S. 15:544.1.

23           D. If an offender, who is currently residing in this state and is under an active  
24           obligation to register and provide notification pursuant to the provisions of this  
25           Chapter, believes that the determined registration and notification period end date  
26           is incorrect, the offender may seek further review of the end date determination by  
27           the Department of Justice within forty-five days of date on which the notice was sent  
28           pursuant to Subparagraph (A)(1)(c) or (B)(1)(c) of this Section. The request shall  
29           be made in writing and addressed to: Office of the Attorney General, SPAT Unit,

1 Post Office Box 94005, Baton Rouge, Louisiana 70804-9005. The request for  
2 review shall include all of the following:

3 (1) Name, date of birth, social security number, and phone number of the  
4 offender.

5 (2) Address of residence and parish in which the offender is currently  
6 residing.

7 (3) The offense for which the offender was convicted that requires  
8 registration and notification pursuant to the provisions of this Chapter, the  
9 jurisdiction of conviction, the court of conviction, the date of conviction, and the  
10 latest release from incarceration for the conviction that requires registration and  
11 notification pursuant to the provisions of this Chapter.

12 (4) Specific legal or factual reasons why the offender believes the current  
13 registration and notification period end date as determined by the Department of  
14 Justice is incorrect.

15 (5) A copy of the most recent offender contract signed by the offender at the  
16 office of the sheriff of the parish in which the offender resides.

17 (6) An affidavit of verification that all allegations of fact are true and  
18 accurate.

19 E. If the request for review meets all of the requirements set forth in  
20 Subsection D of this Section, the request shall be reviewed by the Department of  
21 Justice. The Department of Justice shall post its decision, and any pertinent law and  
22 facts relied upon in making its decision, to the offender's registry file. The  
23 Department of Justice or their authorized agent shall provide written notice of the  
24 department's decision to the offender within thirty days from the date on which the  
25 decision was posted to the offender's file in the Sex Offender and Child Predator  
26 Registry by the Department of Justice. If the request for review submitted by the  
27 offender does not meet the procedural requirements set forth in Subsection D of this  
28 Section, the request for review shall be rejected and the offender shall be given  
29 notice of the rejection through the same method as the notification of the prospective

1 registration and notification end date determination and the date of such notice shall  
2 be entered into the offender's registry profile.

3 F. Within one hundred eighty days of the issuance of notice pursuant to  
4 Subsections A, B, D, or E of this Section, whichever is later, the offender may file  
5 a petition for injunctive relief or for a declaratory judgment pursuant to the  
6 provisions of R.S. 15:544.1. Failure to timely file a petition for such relief pursuant  
7 to the provisions of this Subsection shall constitute a waiver by the offender and shall  
8 make the registration and notification period end date determination by the  
9 Department of Justice final, unless the registration and notification period end date  
10 is revised by the Department of Justice because the offender's criminal history or  
11 registration history reflects actions or inaction that, pursuant to the provisions of this  
12 Chapter, requires the running of the registration period to begin anew or to be  
13 suspended.

14 G. When an offender has complied with all registration and notification  
15 requirements for the period of time required by the provisions of this Chapter, the  
16 Department of Justice shall, upon request by the offender, issue a formal letter  
17 verifying that the offender has completed all his requirements. This letter shall state  
18 that the offender is no longer required to register and notify as a sex offender or a  
19 child predator for the underlying sex offense or criminal offense against a victim  
20 who is a minor, as defined by R.S. 15:541, which gave rise to his obligation to  
21 register, unless the offender is convicted of another offense which requires  
22 registration and notification pursuant to the provisions of this Chapter.

23 H. If at any time after the determination of the registration and notification  
24 period end date is made pursuant to the provisions of this Chapter, the offender's  
25 criminal history or registration history reflects actions or inaction that, pursuant to  
26 the provisions of this Chapter, requires the running of the registration period to begin  
27 anew or to be suspended, and the registration and notification period end date is  
28 revised by the Department of Justice, the Department of Justice shall post the

HB No. 885

**Abstract:** Provides for certain procedures relative to the end of registration and notification requirements of convicted sex offenders and child predators.

Present law requires certain persons convicted of certain sex offenses or criminal offenses against a victim who is a minor to register as a sex offender in the Sex Offender and Child Predator Registry and to provide notification to certain persons. The duration of such registration and notification requirements depends upon the offense for which the offender was convicted.

Proposed law retains present law and provides for the procedure by which an offender's registration and notification period end date is determined.

In this regard, proposed law provides for the following:

- (1) Requires the office of state police and the sheriff of each parish in which the offender resides to upload the offender's registration history to the Sex Offender and Child Predator Registry and requires the Dept. of Justice (DOJ) to review the offender's criminal history and registration history and post a prospective registration end date to the offender's file in the Sex Offender and Child Predator Registry.
- (2) Requires the DOJ to revise the registration and notification period end date if the offender's criminal history or registration history subsequently reflects actions or inaction that, pursuant to present law, requires the running of the registration period to begin anew or to be suspended.
- (3) Authorizes the offender to seek review of the determination made by the DOJ and provides the procedure and requirements for requesting such review.
- (4) Provides that the registration and notification period end date calculated by the DOJ shall be set in accordance with the provisions of present law regarding sex offender registration and notification and shall be binding unless overturned by the court pursuant to the procedures set forth in proposed law.

- (5) Authorizes the offender to file a petition for injunctive relief or for declaratory judgment of the registration and notification period end date determined by the DOJ.
- (6) When an offender has complied with all registration and notification requirements for the requisite amount of time pursuant to the provisions of present law, requires the DOJ to issue a formal letter verifying that the offender has completed his requirements.
