Provides relative to incorporation of unincorporated areas. (gov sig)

Purpose of Bill: This bill provides for a moratorium on municipal incorporations to be applied retroactively, beginning January 1, 2014, through December 31, 2015. During this time, the residents of an unincorporated area may not petition for incorporation unless the petition was initiated prior to January 1, 2014, and either 1) an election for the incorporation is held on or before November 4, 2014, or 2) an election was not held on or before November 4, 2014, due to a court order or court action, in which case no signatures may be collected after July 23, 2014. This moratorium does not apply in certain parishes.

This bill also requires the Senate Committee on Local and Municipal Affairs and the House Committee on Municipal, Parochial and Cultural Affairs to function as a joint committee to review and evaluate the statutes governing municipal incorporation and to consider information from various organizations. The joint committee shall report its findings and recommendations to the legislature by December 1, 2014, so that any proposed legislation may be considered in the 2015 Regular Session.
