1 payments from and reductions of current tax collections which will be made by
2 each of the incentive benefit statutes provided for in R.S. 39:2(15.1) for the
3 forecasted fiscal year. Such forecast shall be used to provide for the statement
4 of incentive expenditure allocations in the proposed executive budget, the
5 general appropriation bill and other appropriation bills, and the state budget.

6 B. The incentive expenditure forecast shall be derived and based upon
7 the assumption that the current law and current administrative procedures will
8 remain in effect for the forecast period.

9 C. The department which administers the incentive benefit shall notify
10 the conference when the incentive expenditure forecast is not sufficient to meet
11 the requirements of current law or current administrative procedures. The
12 conference may revise the forecast as necessary.

13 D. The incentive expenditure forecast shall be a separate section in the
14 official forecast and shall not be included in the estimates of the money to be
15 received by the state general fund and dedicated funds for the current and next
16 fiscal years which are available for appropriation.

17 E.(1) The Revenue Estimating Conference may utilize whatever staff,
18 information, and technical expertise which it may determine is required to
19 derive or revise the incentive expenditure forecast. The conference may request
20 and shall receive from all public officers, departments, agencies, and authorities
21 of the state such assistance and data as will enable the conference to fulfill its
22 duties.

23 (2) Public officers, departments, agencies, and authorities of the state,
24 including the Department of Revenue, the Department of Economic
25 Development, and the Department of Culture, Recreation and Tourism, which
26 administer an incentive expenditure program shall furnish the Revenue
27 Estimating Conference, legislative fiscal office, and the division of
28 administration with data reflecting the program's operations and shall prepare
29 a report setting forth the dollar amount of incentive expenditure for each

1 incentive benefit program administered by the respective department, agency,
2 or authority. In order that such information may be included in the incentive
3 expenditure forecast for the next fiscal year, such reports shall include data
4 beginning July first of each fiscal year through the date of the report and the
5 report shall be due monthly. An initial report detailing historical participation
6 and applicable dollar amounts of incentive expenditures shall also be provided.
7 The initial historical report and subsequent monthly reports shall be developed
8 in consultation with the Revenue Estimating Conference, the legislative fiscal
9 office, and the division of administration.

10 (3) In addition to the data required to be submitted in Paragraph (2) of
11 this Subsection, each department, agency, or authority of the state, including the
12 Department of Revenue, the Department of Economic Development, and the
13 Department of Culture, Recreation and Tourism, which administers an
14 incentive expenditure as defined in R.S. 39:2(15.1) shall submit to the Revenue
15 Estimating Conference, the legislative fiscal office, and the division of
16 administration, upon request, an estimate of incentive expenditures for each of
17 the tax benefit statutes listed in R.S. 39:2(15.1) administered by the respective
18 department, agency, or authority. Such estimates shall be an amount that is no
19 less than the estimated amount of reductions of and payments to be made from
20 current tax collections for each incentive expenditures for the current fiscal
21 year. The participants of the conference shall work in conjunction with the
22 respective department, agency, or authority, to finalize all estimates for
23 presentation to the conference.

24 F. The incentive expenditure forecast shall be determined by the
25 Revenue Estimating Conference through a process to be decided by the
26 conference except that any final action establishing an incentive expenditure
27 forecast shall be taken only pursuant to a unanimous decision by all of the
28 conference principals.

1 §34. Executive budget

2 A.~~(1)~~ The governor shall cause to be prepared an executive budget presenting
3 a complete financial and programmatic plan for the ensuing fiscal year which shall
4 include recommendations for appropriations from the state general fund and
5 dedicated funds which shall not exceed the official forecast of the Revenue
6 Estimating Conference. Except as provided by R.S. 39:75(E), the executive budget
7 shall not include recommendations for appropriations from any fund in excess of the
8 official forecast of money available for appropriation from that fund.

9 **(2) The executive budget for Fiscal Year 2015-2016 and each fiscal year**
10 **thereafter shall include a separate statement of incentive expenditures**
11 **allocations as contained in the incentive expenditure forecast. The incentive**
12 **expenditures allocations shall be stated as a separate description in the program**
13 **activities of the respective department, agency, or authority of the state which**
14 **administers an incentive expenditure as defined in R.S. 39:2(15.1). A statement**
15 **of total incentive expenditure allocations shall also be provided in the executive**
16 **budget proposal. Such incentive expenditures shall not be included as, nor**
17 **counted towards the operating expenses of the relevant department, agency, or**
18 **authority.**

19 * * *

20 §36. Contents and format of executive budget; supporting document

21 A. The executive budget shall present a complete financial and programmatic
22 plan for the ensuing year, and it shall be configured in a format so as to clearly
23 present and highlight the functions and operations of state government and the
24 financial requirements associated with those functions and operations. The executive
25 budget shall be a performance-based budget. It shall include at a minimum the
26 following:

27 * * *

28 **(7) A separate statement of incentive expenditures allocations as**
29 **contained in the incentive expenditure forecast. The incentive expenditures**

1 **expenditure allocations and a statement of incentive expenditure allocations by**
2 **department.**

- (y) Competitive Projects Payroll Incentive Program (R.S. 51:3121).
- (z) Procurement Processing Company Rebate Program (R.S. 47:6351).
- (aa) Rehabilitation of Historic Structures (R.S. 47:6019).

Proposed law also defines "current tax collections" to mean the current collections of the taxes imposed by Subtitle II of Title 47 of the La. Revised Statutes of 1950.

Proposed law provides that beginning fiscal year 2015-2016, the Revenue Estimating Conference shall establish a forecast of incentive expenditures for each fiscal year, which shall include a forecast of the amount of payments from and reductions of current tax collections to be granted by each of the incentive benefit statutes listed in the definition of incentive benefit for the forecasted year. Provides that the forecast shall be an amount that is no less than the estimated amount of payments from and reductions of current tax collections which will be made by each of the incentive benefit statutes. Such forecast shall be used to provide for the statement of incentive expenditure allocations in the proposed executive budget, the general appropriation bill and other appropriation bills, and the state budget.

Proposed law provides that the incentive expenditure forecast shall be derived and based upon the assumption that the current law and current administrative procedures will remain in effect for the forecast period. Provides that the department which administers the incentive benefit shall notify the conference when the incentive expenditure forecast is not sufficient to meet the requirements of current law or current administrative procedures. The conference may revise the forecast as necessary. Provides that the incentive expenditure forecast shall be a separate section in the official forecast and shall not be included in the estimates of the money to be received by the state general fund and dedicated funds for the current and next fiscal years which are available for appropriation.

Proposed law provides for the information, and the timing of submission of the information, that public officers, departments, agencies, and authorities of the state are to provide in order for the Revenue Estimating Conference to prepare an incentive expenditure forecast.

Proposed law provides that the incentive expenditure forecast shall be determined by the Revenue Estimating Conference through a process to be decided by the conference except that any final action establishing an incentive expenditure forecast shall be taken only pursuant to a unanimous decision by all of the conference principals.

Present law provides that the governor shall cause to be prepared an executive budget presenting a complete financial and programmatic plan for the ensuing fiscal year which shall include recommendations for appropriations from the state general fund and dedicated funds which shall not exceed the official forecast of the Revenue Estimating Conference.

Proposed law retains present law and further provides that the executive budget for Fiscal Year 2015-2016 and each fiscal year thereafter shall include a statement of incentive expenditures as contained in the incentive expenditure forecast. The incentive expenditures allocations shall be stated as a separate description in the program activities of the respective department, agency, or authority of the state which administers an incentive expenditure. A statement of total incentive expenditure allocations shall also be provided in the executive budget proposal. Such incentive expenditures shall not be included as, nor counted towards the operating expenses of the relevant department, agency, or authority.

Present law provides for the contents and format of executive budget.

Proposed law retains present law and further provides that the executive budget shall contain a statement of incentive expenditures as contained in the incentive expenditure forecast. The incentive expenditures allocations shall be stated as a separate description in the program activities of the respective department, agency, or authority of the state which administers an incentive expenditure. A statement of total incentive expenditure allocations shall also be provided in the executive budget proposal. Such incentive expenditures shall not be included as, nor counted towards the operating expenses of the relevant department, agency, or authority.

Present law provides relative to the general appropriation bill and provides that the general appropriation bill and other appropriation bills shall not appropriate any funds, which are not part of the official forecast except appropriations from existing statutorily dedicated funds for purposes other than the fund's statutory purpose as provided in present law.

Proposed law retains present law and further provides that the General Appropriation Bill and other appropriation bills shall include a statement of incentive expenditure allocations as contained in the incentive expenditure forecast. The incentive expenditures allocations shall be stated as a separate description in the program activities of the respective department, agency, or authority of the state which administers an incentive expenditure. Such incentive expenditures shall not be included as, nor counted towards the operating expenses of the relevant department, agency, or authority. The statement of incentive expenditure allocations shall not be deemed to be an appropriation.

Present law provides that after the passage of the appropriation and revenue acts, but not later than October first of each year, the governor shall cause to be prepared a complete state budget for the fiscal year. The budget so prepared shall include all the details of the financial plan for the fiscal year, as to both expenditures and means of financing as presented in the executive budget, with such revision as may be necessary to bring them into conformity with the appropriation and revenue acts and other acts to provide means of financing, and with the legislative provisions in effect, governing administration of the budget.

Proposed law retains present law but further provides that the budget so prepared for FY 2015-2016 and each fiscal year thereafter shall include a statement of total incentive expenditure allocations and a statement of incentive expenditure allocations by department.

Effective July 1, 2014.

(Amends R.S. 39:34(A) and 56(A); adds R.S. 39:2(15.1) and (15.2), 24.1, 36(A)(7), and 51(A)(5))
