Provides with respect to embalmers and funeral directors

Purpose of Bill: This measure provides that individuals who have been licensed and active for at least a year as a embalmer and/or funeral director in another state recognized by the board who meets all requirements of this part can obtain a temporary license in Louisiana for a maximum of six months.

This measure would also make several changes to the qualifications necessary to be licensed as a 1) funeral director, 2) embalmer and funeral director, 3) licensure by endorsement, and 4) embalmer and funeral director with a temporary license. These include changes to age requirements, education, and work experience.
