16 AMENDMENT NO. 3

17 On page 1, line 9, change "A." to "F." and delete "agreement or"

18 AMENDMENT NO. 4

19 On page 1, line 12, after "maintenance." insert "monitoring."

20 AMENDMENT NO. 5

21 On page 2, delete lines 1 and 2 in their entirety and insert in lieu thereof the following:  
22 "(6) The party who will claim the tax credit pursuant to R.S. 47:6030."

23 AMENDMENT NO. 6

24 On page 2, delete lines 5 through 12 in their entirety and insert in lieu thereof the following:  
25 "G. The contract shall have attached two clear and conspicuous declarations.

26 H.(1) The first declaration shall be a statement informing the residential  
27 property owner of the following:

28 (a) The residential property owner should not rely on any statements or  
29 inducements of the seller as described in Paragraph (C)(1) of this Section, regarding  
30 Louisiana income tax credits available for the purchase and installation of the  
31 system.

32 (b) The residential property owner's eligible costs pursuant to the Louisiana  
33 solar energy systems tax credit are limited to those provided in LAC 61:I.1907(F)(1).  
34

1 (c) The residential property owner should consult a tax professional prior to  
2 claiming any Louisiana state tax credit.

3 (2) The provisions of the declaration pursuant to Paragraph (H)(1) of this  
4 Section shall be in print of not less than twelve point font and in the following form:

5 "Eligible Costs

6 I, the undersigned residential property owner, am the purchaser of a solar  
7 energy system and may be entitled to claim the Louisiana solar energy systems tax  
8 credit pursuant to R.S. 47:6030.

9 I understand and acknowledge my right to consult a tax professional prior to  
10 claiming any Louisiana state tax credit for which I may be eligible. I have been  
11 provided with a copy of the Louisiana Department of Revenue Rule relative to  
12 Income Tax Credits for Wind or Solar Energy Systems (LAC 61:I.1907).

13 I understand and acknowledge that LAC 61:I.1907(F)(2) and (3) provide  
14 costs ineligible for inclusion under the tax credit. I understand that R.S.  
15 47:6030(C)(1) explains that my "cost of purchase" or overall "costs" of a solar  
16 energy system cannot include any lease management fee or any inducement to  
17 purchase or lease a solar energy system.

18 I understand that an inducement is an incentive for me to purchase a solar  
19 energy system. An inducement may be offered to me as a rebate, prize, gift  
20 certificate, trip, additional energy item or service, or any other thing of value given  
21 to me by the seller, installer, or equipment manufacturer as an incentive for me to  
22 purchase a solar energy system.

23 Whenever marketing rebates or incentives are offered to me in return for the  
24 purchase price of the system or as an inducement to make the purchase, the eligible  
25 costs under LAC 61:I.1907(F)(1) will be accordingly reduced by the fair market  
26 value of the marketing rebate or incentive that I receive.

27  
28 (Date)

29  
30 (Residential Property Owner's Signature)"

31  
32 I.(1) Pursuant to Paragraph(F)(6) of this Section, to establish the identity of  
33 the residential property owner and third-party claimant, the declaration required  
34 pursuant to this Subsection shall minimally include and have attached the following:

35 (a) The signature of each residential property owner, except in cases where  
36 the owner has legal authority to execute the declaration without the consent of other  
37 owners.

38 (b) A copy of the act of sale or other documentation evidencing ownership  
39 of the residential property.

40 (c) A document containing the third-party Louisiana contractor's name and  
41 contractor's license number, along with the contractor's Solar Designation.

42 (2) Any declaration required by this Subsection that contains provisions  
43 not expressly required by this Subsection shall be rendered null and void.

44 J. Notwithstanding any provision of law to the contrary, the owner or  
45 lessee of the residential property or system is not precluded from availing himself  
46 of any solar energy systems tax credits that are not available pursuant to this  
47 Section.

1           K. To be eligible for the Solar Energy Tax Credit, all solar energy  
2 systems designed to perform space heating and cooling shall be certified as a  
3 complete system by the Air-Conditioning Heating and Refrigeration Institute  
4 (AHRI). No modifications or additions shall be made to a solar heating and  
5 cooling system that would invalidate AHRI certification or invalidate the  
6 manufacturer’s warranty on the entire system or any individual component.  
7

8           F.L. Notwithstanding any other provision of law to the contrary, any  
9 excess of allowable credit over the aggregate tax liabilities against which such  
10 credit may be applied, as provided in this Section, shall constitute an  
11 overpayment, as defined in R.S. 47:1621(A), and the secretary shall make a  
12 refund of such overpayment from the current collections of the taxes imposed by  
13 Chapter 1, Chapter 2, Chapter 2-A, Chapter 2-B, or Chapter 5 of Subtitle II of this  
14 Title, together with interest as provided in R.S. 47:1624. The right to a credit or  
15 refund of any such overpayment shall not be subject to the requirements of R.S.  
16 47:1621(B). All credits and refunds, together with interest thereof, must be paid  
17 or disallowed within one year of receipt by the secretary of any such claim for  
18 refund or credit. Failure of the secretary to pay or disallow, in whole or in part,  
19 any claim for a credit or a refund shall entitle the aggrieved taxpayer to proceed  
20 with the remedies provided in R.S. 47:1625.

21           G.M. The secretary of the Department of Revenue shall promulgate such  
22 rules and regulations in accordance with the Administrative Procedure Act as may  
23 be necessary to carry out the provisions of this Section. The rules and regulations  
24 shall be promulgated within ninety days of the effective date of this Section.
