12 from the holder's country of residence.

13 (2) As defined in Paragraph (1) of this Subsection, an international driving
14 permit or driver's license in this state shall be valid only as a non-commercial driver's
15 license, shall not be valid and used in lieu of a learner's permit, commercial learner's
16 permit, or commercial driver's license, and shall not be valid if the holder's driving
17 privileges are suspended or revoked in this state or any other state.

18 B. It shall be unlawful for any person to issue an international driver's license
19 in this state for use in this state or in any other state or territory of the United States.

20 C. The Department of Public Safety and Corrections, office of motor
