

Existing law provides that any registered motor vehicle, low-speed vehicle, trailer, semitrailer, or pole trailer, or any combination thereof, shall bear a valid safety inspection certificate. Provides for exemptions.

New law exempts boat trailers from the requirement to bear a valid safety inspection certificate issued in the state of La.

Effective Aug. 1, 2014.

(Amends R.S. 32:1301 and 1311(D); Adds R.S. 32:1311(E))
