

Existing law (R.S. 18:441) provides requirements and procedures for a political party to become a recognized political party.

Prior law (R.S. 18:441(B)(4)) provided that no political party could be recognized which declared its name solely to be "Independent" or "the Independent Party". New law repeals prior law.

Effective Jan. 1, 2015.

(Repeals R.S. 18:441(B)(4))
